RECOMMENDATION

The Administration recommends approving the Resolution to authorize pursuant to Section 2-366(c)(2) of the City code for exempt professional services in accordance with Florida Statute 287.057, the execution of the Professional Services Agreement between the City of Miami Beach and New Hope C.O.R.P.S. ("New Hope") for specialized outreach services in an amount not to exceed \$568,000.

BACKGROUND/HISTORY

On September 30, 2021, the Mayor and City Commission (City Commission) adopted Resolution 2021-31872, approving the FY 2022 operating budget, funding a recurring line item in the Police Department's operating budget in the amount of \$183,000 for Marchman Program treatment beds.

On May 20, 2022, during the Commission budget retreat, an enhancement for \$364,000 for homeless contracted services was discussed to include after-hours specialized outreach and treatment services provided by New Hope C.O.R.P.S., Inc. ("New Hope") from 7:00 p.m.-3:00 a.m. Monday-Sunday.

On September 14, 2022, the City Commission approved Resolution No. 2022-32281, authorizing the City Manager to execute a professional services agreement with New Hope to provide various housing services, including detox, treatment, recovery, transportation and other related services for the City's unsheltered population, in the total amount of \$565,248.20. The agreement included an initial term, commencing on September 15, 2022, and expiring on September 30, 2023, with one (1) additional one-year renewal term. Said Agreement was jointly funded via the Police Department's Marchman Act treatment beds line item and the Office of Housing and Community Service's Afterhours Outreach enhancement.

Throughout the initial term of the Agreement FY 22-23, New Hope consistently delivered satisfactory services to the City and adhered to all requirements. Street outreach and engagement were carried out as stipulated, operating daily from 7:00 p.m. to 3:00 a.m., including weekends and holidays. By the end of this term, New Hope documented 5,710 client encounters and engagements, subsequently facilitating 105 emergency shelter placements and providing residential substance abuse treatment to 12 individuals.

On August 22, 2023, the City Manager approved a one (1) year renewal of the Agreement with New Hope, commencing on October 1, 2023, and expiring on September 30, 2024. New Hope continued to provide specialized outreach services to the City on a nightly basis. Over the course of the FY 2024, New Hope documented 4,919 client encounters and engagements, subsequently facilitating 94 emergency shelter placements and providing residential substance abuse treatment to 13 individuals.

On September 11, 2024, the City Commission adopted Resolution No. 2024-33237, accepting the recommendation of the Public Safety and Neighborhood Quality of Life Committee ("PSNQLC") to establish afterhours live assistance for Homeless Outreach Services. Upon negotiations of the proposed FY 2025 Agreement, New Hope agreed to expand their services to include support for afterhours live assistance, accepting homeless-related service calls and responding accordingly.

New Hope remains a valuable resource for the City's homeless population, allowing the City to deliver essential shelter and substance abuse treatment services during the night, when individuals experiencing homelessness are most vulnerable. Additionally, New Hope has been a significant support to the City's Police Department, frequently assisting officers with client assessments, shelter placements, and transportation.

On September 26, 2024, the Commission adopted Resolution No. 2024-33294, adopting the Final Budgets for the General, G.O. Debt Service, City Center, RDA Ad Valorem Taxes, North Beach CRA Ad Valorem Taxes, Enterprise, Internal Service, and Special Revenue Funds for FY 2025. Funding for Afterhours Specialized Outreach has been included in the Office of Housing and Community Services Operating Budget for FY 2025.

Per Florida Statute 287.057, (e) 5, health services involving examination, diagnosis, treatment, prevention, medical consultation, or administration are not subject to competitive solicitation requirements. The Administration has considered the ability of the vendor, past performance, willingness to meet time requirements, and price, as outlined in the statute, and recommends the renewal of the service agreement.
