TEAM MEMBERS

ANDRES JARAMILLO (FOUNDER)

Andres Jaramillo is Colombia's Ambassador of "good times." As the mastermind of the magic that drives the most successful and famous restaurant in the history of Latin America, Andrés Carne de Res. This entrepreneur, opened the doors to the first restaurant over 35 years ago with a few tables outside Bogota in a rural suburb called Chia. This single location has grown under his leadership, expertise, and great taste to over 70,000sqft establishment with over 600,000 patrons visiting a year. The restaurant has consistently been named one of the top 50 restaurants in Latin America, and a must visit destination in Colombia. Andres Jaramillo has possibly one of the most successful and unique operators known to the industry.

Guillermo Beltran (CEO)

Guillermo Beltran represents the corporate expansion of Andres Carne de Res. Guillermo has worked in the F&B industry for over 20 years in Colombia. He has worked with some of the most important restaurant groups in Colombia where he oversaw the expansion of many restaurant brands at a national level. In Andres Carne de Res he has taken the brand to new horizons by opening different concepts of the brand allowing the brand to scale successfully without compromising the high standards of quality, feel, and experience that it possesses. It is Mr. Beltran's vision and project leadership that lead this unique brand to find its way to this unique building in Miami Beach.

STAFFING LEVELS FOR THE NEW RESTAURANT

According to the hours of operation applied for under this Conditional Use Permit, the Applicant expects to have 60 employees staffed at any point in time.

455 Lincoln Road

ACCESS & SECURITY

Patrons of the restaurant will be able to gain entry through the corner entrance along Lincoln Road. Once through the entrance, the patrons are in a vestibule area where a hostess will greet them and assign a table to which they will be taken too. After 10pm, all patrons must show ID of 21 years of age to enter and there will be a cover charge in the vestibule along with usher at entrance. The entrances will have, at a minimum, two (2) ushers to greet and escort patrons into the facility, which will also serve as security for the facility. These ushers will assist management, host, and service staff to ensure the safety of its members and patrons.

In order to minimize the impact of patrons spilling over, the queuing will be segregated from the entrance with patrons queuing in a secondary waiting area beyond the double door vestibule space. In the event of queuing, the extra-large sidewalk area surrounding all three facades will be able to accommodate the queue and prevent any disruption to the surrounding buildings.

PATRON EXPERIENCE

The restaurant will feature occasional live music, including dancing on the lower floor and will not include any entertainment on the roof deck. In addition to the live music, the restaurant will feature actors who walk around the restaurant and provide improvised and rehearsed two minute skits for the entertainment of the guests. This form of entertainment will be located throughout all floors but will not include speakers and will be conducted at normal speaking levels.

In addition to entertainment for adults, the restaurant has a strong focus on family and will be providing kid friendly activities. Throughout the daytime and on weekends, the restaurant will feature entertainment for children in the form of puppet shows, arts and crafts, face painting and similar forms of entertainment.

The Applicant is very excited about the neighborhood and being a part of the local community, to improve the patron experience and the engage with the neighborhood, the Applicant has engage in communications with the New World Symphony to find a way to include their students in the proposed entertainment. This includes hiring the students as musician and actors in the various forms of entertainment in the restaurant.

Moreover, the Applicant has met with the New World Symphony to ensure there are no interruptions to the Soundscape events. These discussions have gone so far as finding ways to include viewing areas on the property and potentially providing a form of catering for the soundscape.
