

PROPOSED HOTEL ROOFTOP

1750 Alton Road

Operation Plan

Rooftop:

- a) The applicant has not yet determined the operator for the rooftop and bar, so the operating hours are not yet determined.
- b) The rooftop and bar will be open to the general public, not only guests of the hotel and their invitees.
- c) Food and drinks may be served at the rooftop and bar to the general public, not only guests of the hotel and their invitees.
- d) Food served at the rooftop and bar will be delivered from the ground floor restaurant or another restaurant partner selected by rooftop operator.
- e) Food and drinks served at the rooftop and bar may be ordered from QR codes or from staff on the rooftop.
- f) A minimum of one staff personnel will be on the rooftop during operating hours.
- g) Rooftop access will be managed from the ground floor lobby
- h) Security will be present 24 hours a day. The property contains cameras at all entrance and exit points.
