5.1 TERMINATION FOR CAUSE

If the Contractor shall fail to fulfill in a timely manner, or otherwise violates, any of the covenants, agreements, or stipulations material to this Agreement, the City, through its City Manager, shall thereupon have the right to terminate this Agreement for cause. Prior to exercising its option to terminate for cause, the City shall notify the Contractor of its violation

of the particular term(s) of this Agreement, and shall grant Contractor ten (10) days to cure such default. If such default remains uncured after ten (10) days, the City may terminate this Agreement without further notice to Contractor.

Notwithstanding the foregoing, if the performance of the Services by Contractor under this Agreement is creating a temporary or permanent public health, welfare or safety issue, as determined by the City Manager, in the City Manager's sole discretion, the City Manager may immediately suspend the Services under this Agreement for a time certain, or, in the alternative, terminate this Agreement on a given date, without providing Contractor with an opportunity to cure.

Upon termination, the City shall be fully discharged from any and all liabilities, duties, and terms arising out of, or by virtue of, this Agreement.

Notwithstanding the above, the Contractor shall not be relieved of liability to the City for damages sustained by the City by any breach of the Agreement by the Contractor. The City, at its sole option and discretion, shall be entitled to bring any and all legal/equitable actions that it deems to be in its best interest in order to enforce the City's rights and remedies against Contractor. The City shall be entitled to recover all costs of such actions, including reasonable attorneys' fees.

THE CITY MAY ALSO, THROUGH ITS CITY MANAGER, AND FOR ITS CONVENIENCE AND WITHOUT CAUSE, TERMINATE THE AGREEMENT AT ANY TIME DURING THE TERM BY GIVING WRITTEN NOTICE TO CONTRACTOR OF SUCH TERMINATION; WHICH SHALL BECOME EFFECTIVE WITHIN THIRTY (30) DAYS FOLLOWING RECEIPT BY THE CONTRACTOR OF SUCH NOTICE. IF THE AGREEMENT IS TERMINATED FOR CONVENIENCE BY THE CITY, CONTRACTOR SHALL BE PAID FOR ANY SERVICES SATISFACTORILY PERFORMED UP TO THE DATE OF TERMINATION; FOLLOWING WHICH THE CITY SHALL BE DISCHARGED FROM ANY AND ALL LIABILITIES, DUTIES, AND TERMS ARISING OUT OF, OR BY VIRTUE OF, THIS AGREEMENT.

5.3 TERMINATION FOR INSOLVENCY

The City also reserves the right to terminate the Agreement in the event the Contractor is placed either in voluntary or involuntary bankruptcy or makes an assignment for the benefit of creditors. In such event, the right and obligations for the parties shall be the same as provided for in Section 5.2.

SECTION 6

INDEMNIFICATION AND INSURANCE REQUIREMENTS

6.1 INDEMNIFICATION

Contractor agrees to indemnify and hold harmless the City of Miami Beach and its officers, employees, agents, and contractors, from and against any and all actions (whether at law or in equity), claims, liabilities, losses, and expenses, including, but not limited to, attorneys' fees and costs, for personal, economic, or bodily injury, wrongful death, loss of or damage to property, which may arise or be alleged to have arisen from the negligent acts, errors, omissions or other wrongful conduct of the Contractor, its officers, employees, agents, contractors, or any other person or entity acting under Contractor's control or supervision, in connection with, related to, or as a result of the Contractor's performance of the Services pursuant to this Agreement. To that extent, the Contractor shall pay all such claims and losses and shall pay all such costs and judgments which may issue from any lawsuit arising from such claims and losses, and shall pay all costs and attorneys' fees expended by the City in the defense of such claims and losses, including appeals. The Contractor expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Contractor shall in no way limit the Contractor's responsibility to indemnify, keep and save harmless and defend the City or its officers, employees, agents and instrumentalities as provided herein.

The parties agree that one percent (1%) of the total compensation to Contractor for performance of the Services under this Agreement is the specific consideration from the City to the Contractor for the Contractor's indemnity agreement. The provisions of this Section 6.1 and of this indemnification shall survive termination or expiration of this Agreement.

6.2 INSURANCE REQUIREMENTS

The Contractor shall not commence any work and/or Services pursuant to this Agreement until all insurance required under this Section has been obtained and such insurance has been reviewed and approved by the City's Risk Manager.

The Contractor shall maintain and carry in full force during the Term, the following insurance:

1. **Comprehensive General Liability insurance** in an amount not less than \$500,000 combined single limit per occurrence and \$1,000,000 aggregate in a policy year. Deductibles exceeding \$1,000 are discouraged, unless Contractor can provide financial statements to support a higher deductible. The City of Miami Beach must be designated and shown as an additional insured and the certificate holder with respects to this coverage. The general liability policy must contain coverage for the following:
 - a. Bodily Injury;
 - b. Property Damage;
 - c. No endorsement for premises only operations.
2. If applicable, **Contractor Professional Liability insurance, with coverage amounts not less than \$250,000 per claim and in the aggregate**. Defense costs may be inside the limits of liability and the policy can be written on claims made form. The City of Miami Beach is not required to be named as an Additional Insured. Professional liability insurance is generally required when the scope of services uses professional services that require certification or license(s) to provide direct services to program participants.

3. **Workers Compensation & Employers Liability, as required pursuant to Florida Statutes.** Worker's Compensation Insurance must cover all employees, non-incorporated independent contractors or Contractors, and incorporated independent contractors or Contractors that do not have worker's compensation coverage or a valid State of Florida exemption on file with the Department of Labor, as required by Florida Statutes, Chapter 440. In the event that the Contractor is no longer exempt from obtaining Worker's Compensation insurance, the Contractor must notify the City of Miami Beach and provide the necessary certificate of insurance upon the termination of the exemption. The employer's liability portion will be \$500,000/\$500,000/\$500,000 as a minimum.

The insurance must be furnished by insurance companies authorized to do business in the State of Florida. All insurance policies must be issued by companies rated no less than "B+" as to management and not less than "Class VI" as to strength by the latest edition of Best's Insurance Guide, published by A.M. Best Company, Oldwick, New Jersey, or its equivalent.

All of Contractor's certificates shall contain endorsements providing that written notice shall be given to the City at least thirty (30) days prior to termination, cancellation or reduction in coverage in the policy. The insurance certificates for General Liability shall include the City as an additional insured and shall contain a waiver of subrogation endorsement.

Original certificates of insurance must be submitted to the City's Risk Manager for approval (prior to any work and/or services commencing) and will be kept on file in the Office of the Risk Manager. The City shall have the right to obtain from the Contractor specimen copies of the insurance policies in the event that submitted certificates of insurance are inadequate to ascertain compliance with required coverage.

The Contractor is also solely responsible for obtaining and submitting all insurance certificates for any sub-contractors.

Compliance with the foregoing requirements shall not relieve the Contractor of the liabilities and obligations under this Section or under any other portion of this Agreement.

Failure by Contractor to comply with Section 6.2 shall be a material breach of this Contract. The City will not disburse any funds under this Agreement until all required Certificates of Insurance have been provided to and have been approved by the City's Risk Manager.

The Contractor shall not commence any work and or services pursuant to this Agreement until all insurance required under this Section has been obtained and such insurance has been approved by the City's Risk Manager.

Contractor and or Contractor's insurance agent, as applicable, shall notify the City, in writing, of any material changes in insurance coverage, including, but not limited to, any renewals of existing insurance policies, not later than thirty (30) days prior to the effective date of making any material changes to the insurance coverage except for ten (10) days for lack of payment changes. Contractor shall be responsible for ensuring that all applicable insurance is maintained and submitted to the City for the duration of this Agreement. In the event of any change in Contractor's Scope of Services, as set forth in Exhibit "A", the City may increase, waive, or modify in writing any of the foregoing insurance requirements. Any request by a Contractor to decrease, waive, or modify any of the foregoing insurance requirements must be approved, in writing, by the City prior to any such decrease, waiver, or modification. In the

event that an insurance policy is canceled, lapsed, or expired during the effective period of this Agreement, the City shall withhold all payments to Contractor until a new Certificate of Insurance required under this section is submitted and approved by the City. The new insurance policy shall cover the time period commencing from the date of cancellation of the prior insurance policy. The City may require Contractor to furnish additional and different insurance coverage, or both, as may be required from time to time under applicable federal or state laws or the City requirements. Provision of insurance by Contractor, in no instance, shall be deemed to be a release, limitation, or waiver of any claim, cause of action or assessment that the City may have against Contractor for any liability of any nature related to performance under this Agreement or otherwise. All insurance required hereunder may be maintained by Contractor pursuant to a master or blanket policy or policies of insurance.

SECTION 7

This Agreement shall be enforceable in Miami-Dade County, Florida, and if legal action is necessary by either party with respect to the enforcement of any or all of the terms or conditions herein, exclusive venue for the enforcement of same shall lie in Miami-Dade County, Florida. By entering into this Agreement, Contractor and the City expressly waive any rights either party may have to a trial by jury of any civil litigation related to or arising out of this Agreement.

SECTION 8

LIMITATION OF CITY'S LIABILITY

The City desires to enter into this Agreement only if in so doing the City can place a limit on the City's liability for any cause of action, for money damages due to an alleged breach by the City of this Agreement, so that its liability for any such breach never exceeds the sum of \$10,000.00. Accordingly, and notwithstanding any other term or condition of this Agreement, Contractor hereby agrees that the City shall not be liable to the Contractor for damages in an amount in excess of the sum of \$10,000.00 for any action or claim for breach of contract arising out of the performance or non-performance of any obligations imposed upon the City by this Agreement.

 - (4) The City or Contractor or a subcontractor may file an action with the Circuit or County Court to challenge a termination under the foregoing Subsection (B)(1) or (B)(2) no later than 20 calendar days after the date on which the contract was terminated.
