

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Commissioner Alex Fernandez
DATE: September 11, 2024
TITLE: DISCUSS AND TAKE ACTION REGARDING THE REMOVAL OF CONCRETE STONES ALONG THE SEA WALL NEAR 71ST STREET AND COLLINS AVENUE TO RESTORE COMMUNITY ACCESS AND AESTHETIC APPEAL.

RECOMMENDATION

BACKGROUND/HISTORY

ANALYSIS

Please place the above item on the September 11, 2024, City Commission agenda as a discussion item.

The City of Miami Beach installed concrete stones along the sea wall near 71st Street and Collins Avenue to enhance safety, security, and deter excessive loitering. This measure was taken to address community concerns while preserving the integrity of the sea wall. However, with the city's improved resources for managing homelessness and addressing issues related to camping and sleeping in public spaces, I propose that the Commission discuss the potential removal of these concrete stones.

The current installation of the stones detracts from the charm and accessibility of this beloved amenity. Removing them would not only restore the area's aesthetic appeal but also allow the community to fully enjoy this space.
