

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Commissioner Laura Dominguez
DATE: March 19, 2025
TITLE: DISCUSS/TAKE ACTION: SPRING BREAK 2025 TRAFFIC PLAN.

RECOMMENDATION

BACKGROUND/HISTORY

ANALYSIS

Overview:

With Spring Break fast approaching, it is critical for the City of Miami Beach to review and implement a comprehensive traffic plan to ensure the safety, mobility, and overall experience for residents, businesses, and visitors. The City Administration is requested to present a detailed traffic management strategy for Spring Break 2025, including:

- **Traffic Flow & Street Closures:** Proposed street closures, detours, and traffic patterns to ensure the safety of visitors and residents and minimize congestion.
- **Public Safety & Law Enforcement:** Coordination with the Miami Beach Police Department (MBPD) for crowd control, enforcement of traffic laws, and overall public safety.
- **Pedestrian & Bicycle Safety:** Plans to ensure safe pedestrian and bicycle pathways, particularly in high-traffic areas.
- **Communication & Signage:** Clear communication of traffic changes and updates through social media, digital signage, and local news outlets.

I would like to have a discussion regarding this subject with my colleagues so that we can provide any necessary additional direction to the Administration.

FISCAL IMPACT STATEMENT

N/A

Does this Ordinance require a Business Impact Estimate?
(FOR ORDINANCES ONLY)

If applicable, the Business Impact Estimate (BIE) was published on:
