NOW THEREFORE, in consideration of the mutual promises and conditions contained herein, and other good and valuable consideration, the sufficiency of which is hereby acknowledged, the City and Contractor hereby agree to amend the Agreement as follows:

1. ABOVE RECITALS.

The above recitals are true and correct and are incorporated as part of this Amendment.

2. MODIFICATIONS.

The Agreement is hereby modified (deleted items ~~struck through~~, and inserted items are underlined) as follows:

- a) Section 3.1 of the Agreement is hereby amended by inserting the following sentence at the end of such Section: "Notwithstanding anything to the contrary in this Agreement, if the City elects to exercise its option to extend the Agreement for the second two-year renewal term, the City and Contractor acknowledge and agree that they shall negotiate in good faith the rate to apply to beds to be included in the roster of beds. The Contractor shall provide the City with documentation substantiating the cost of providing the shelter services, it being understood and agreed that the fee per bed to be charged will not exceed the actual, direct costs of providing the emergency housing services. For the avoidance of doubt, any rate increase agreed to by the parties shall only apply from and after April 1, 2025.

- b) Section 3.2 is hereby amended as follows:
Contractor may submit a monthly invoice in advance of providing services via postal or Electronic (E-mail) mail forty-five (45) days prior to the month of service, which includes a description of the Services to be provided in the month of service, including the number of beds, associated costs, and clients served. If the City and Contractor are unable, despite good faith efforts, to agree on a new rate to apply to beds during the second renewal term, such rate to be based on the actual cost of providing the shelter services, then this Agreement shall terminate on March 31, 2025.

- c) "Exhibit A", "Scope of Services"

Service	Units of Service	Documentation of Service
Emergency Housing	18 beds per day, 365 days per year	Attendance Roster

*The Contractor has requested that the City reduce its bed roster by securing beds with alternative providers for the remainder of the term ending March 31, 2025. If the City secures shelter beds with alternative providers that are secured specifically to reduce the current bed roster for the duration of the Agreement, Camillus House, Inc. will absorb the difference in daily bed costs. For the avoidance of doubt, the City reserves the right to secure shelter beds without reducing the current bed roster in the City's sole and absolute discretion.

3. RATIFICATION.

Except as amended herein, all other terms and conditions of the Contract shall remain unchanged and in full force and effect. In the event there is a conflict between the provisions of this Amendment and the Contract, the provisions of this Amendment shall govern.
