

**COMMISSION MEMORANDUM**

TO: Honorable Mayor and Members of the City Commission  
FROM: Eric Carpenter, City Manager  
DATE: November 20, 2024  
TITLE: REFERRAL TO THE PLANNING BOARD – COURTESY LAND USE BOARD  
NOTICE FOR RESIDENTIAL TENANTS.

**RECOMMENDATION**

The Administration recommends that the Mayor and City Commission (City Commission) refer the attached draft ordinance to the Planning Board.

**BACKGROUND/HISTORY**

On September 11, 2024, at the request of Commissioner Alex Fernandez, the City Commission referred an item (C4 U) to the Land Use and Sustainability Committee (LUSC) pertaining to notice requirements for tenants of residential buildings. On October 14, 2024, the LUSC discussed the proposal and recommended that the City Commission refer an ordinance amendment to the Planning Board in accordance with the recommendations in the LUSC memo.

**ANALYSIS**

Currently, the Land Development Regulations of the City Code (LDRs) require a notice for land use board applications be mailed to all property owners within 375 feet of the property that is the subject of the application. However, there is no requirement for a notice to be provided to residential tenants of a building if they are not the unit owner.

The attached draft ordinance amends Chapter 2 of the LDRs to create a courtesy notice requirement, which would apply to all land use boards, for tenants of residential units, including a link to a housing impact statement. The proposed ordinance is largely ministerial, and the additional mail labels required would be the responsibility of future land use board applicants.

**APPLICATION FEE WAIVER**

The subject amendment is proposed on a comprehensive basis, and not on behalf of a private applicant or third party. Pursuant to section 2.4.1.c of the Land Development Regulations of the City Code, amendments to the City Code require the payment of the applicable fees in section 2.2.3.5, 2.2.3.6, and appendix A to the City Code. These fees may be waived by a five-sevenths (5/7ths) vote of the City Commission, based upon one or more of the following circumstances:

1. The City Commission determines that the proposed amendment is necessary due to a change in federal or state law, or to implement best practices in urban planning, or based on circumstances unique to the proposed amendment.
2. Upon the written recommendation of the City Manager acknowledging a documented financial hardship of a property owner(s) or developer(s).
3. If requested, in writing, by a non-profit organization, neighborhood association, or homeowner's association for property owned by any such organization or association, so long as the request demonstrates that a public purpose is achieved by enacting the applicable amendment.

Should this proposal be referred to the Planning Board, the Administration recommends that the City Commission determine that the proposed amendment is necessary based on circumstances unique to the proposed amendment and waive the applicable fees.
