The North Region Office has received confirmation, that Miami Beach Fienberg Fisher K8 will be held harmless for their Title I funding loss this school year. The school has a reading coach, a community involvement specialist, a paraprofessional, and will also receive a new VPK allocation. Additionally, the school will be provided with funds to cover the cost of tutorial services for the students at the school.

Respectfully,

**Gilberto D. Bonce, Ed. D.**

Hello Dr. Bonce,

Per our conversation earlier today, please confirm that all of the below positions/programs are being fully funded (\$171,000) in school year 2024-25 by MDCPS and that no support from the City of Miami Beach is needed to fill the gap caused by the loss of Title I to MB Fienberg Fisher K-8.

Thank you,  
Leslie

Here are the items/positions that were funded last year from Title I:

- 1 paraprofessional
- 1 community liaison specialist
- 1 reading coach
- 1 VPK teacher (the school is receiving a new pre-k allocation, meeting will be taking place soon to go over the details)
- Remaining balance, approximately \$30,000, was utilized for afterschool and Saturday tutoring in reading, mathematics, and science.

Good afternoon,

May we please have a list of the items that are being provided in 24-25 that were lost due to the \$171,000 Title I? Is there a gap between what was available last year and what is available this school year? We are interested in assisting, but I need to know this week.

Thank you,  
Leslie
