## **RE: Request to Amend Resolution 2024-33420**

Dear Mr. Carpenter,

I appreciate the City of Miami Beach's ongoing partnership with Miami-Dade County Public Schools (M-DCPS) and your commitment to fostering collaboration between our institutions. Your support and the support of the City Commission for the fence installation at Nautilus Middle School have been crucial in enhancing school safety and security, ensuring a protected environment for students, staff, and the broader community.

As part of our continued coordination, M-DCPS has identified additional required edits to the previously agreed-upon fence option. To reflect these necessary updates, we respectfully request an amendment to Resolution 2024-33420 to incorporate the revised design. Enclosed, please find a copy of the updated design for your review and consideration.

We are grateful for your time and dedication in working with us on this matter, and we look forward to continuing our strong partnership with the City of Miami Beach. Please do not hesitate to contact me should you require any additional information or clarification.

Thank you for your attention to this request, and we appreciate your consideration.

Sincerely,

Dr. Jose L. Dotres  
Superintendent of Schools.
