JOINT CITY COMMISSION AND REDEVELOPMENT AGENCY

RECOMMENDATION

The Administration recommends that the Mayor and City Commission waive, by a 5/7ths vote, the formal competitive bidding requirement, as permitted under Section 82-39(a) of the City Code, as being in the best interest of the City.

BACKGROUND/HISTORY

The City owns the Pennsylvania Avenue Garage Condominium, located at 1661 Pennsylvania Avenue, Miami Beach, Florida 33139, which includes Unit 1, a municipal garage (the "Penn Garage"), having approximately 560 parking spaces, and Unit 2, which includes Suites A-G, and has a total of approximately 7,655 square feet of ground floor retail space (the "Retail Space").

On March 13, 2019, pursuant to Resolution No. 2019-30761, the Mayor and City Commission approved a lease among the City of Miami Beach (the "City") and the Miami Beach Redevelopment Agency (the "RDA") (collectively, "Landlord") and Moonlighter Fablab, Inc. d/b/a Moonlighter Makerspace ("Moonlighter" or "Tenant") for use of approximately 6,720 square feet of the Retail Space for an initial term of three (3) years, with two (2) additional renewal terms, of one (1) year each at Landlord's option, for the purpose of providing an innovative public space

combining a Science, Technology, Engineering, Arts & Math (S.T.E.A.M) education center, co-working space, and digital fabrication lab ("Lease"); and further requiring the City of Miami Beach ("City") to install, at its cost, a demising wall at the Retail Space, dividing MBCC's space from the proposed Moonlighter space to enable both tenants to occupy the Retail Space ("City's Work").

On February 19, 2021, the Finance and Economic Resiliency Committee ("FERC") discussed expanding Moonlighter to the northeasterly 935 square feet area of the Retail Space, previously occupied by the Miami Beach Chamber of Commerce ("MBCC") Visitor Center. On April 21, 2021, the City Commission and RDA accepted the FERC's recommendation, and pursuant to Resolution No. 2021-31687, approved Amendment No. 1 to the Lease Agreement to include the remaining 935 square foot area for a total 7,665 square feet of Retail Space.

On August 16, 2023, the Landlord and Tenant exercised the First Renewal Option commencing on May 1, 2024, and ending on April 30, 2025. The Lease Agreement has one remaining renewal option for a period of (1) one year which the Tenant intends on exercising.

ANALYSIS

Tenant has expressed that in order to obtain and secure funding for additional programs, a Lease of more than one year is necessary. Accordingly, Tenant has requested the Landlord approve the extension of the term of the Lease for two more renewal options: (i) a three-year term renewal term, and (ii) a final renewal term of one (1) year and 364 days in order to secure the funds needed to continue operating and expand programming.

Finance Economic and Resiliency Committee (FERC) Recommendation

On April 19, 2024, this item was presented before the Finance Economic and Resiliency Committee for consideration.
