conclusion of each discussion on each agenda item including any future action that shall be taken. The draft minutes are subject to correction, amendment, and approval by the city commission, with any corrections or amendments to be reflected in those minutes. Once the draft minutes from the commission committee meeting have been approved by the city commission, the "draft" notation shall be removed, and the minutes shall be considered final.

However, those portions of minutes addressing a commission committee's request for city administration action, shall only be effectuated when a corresponding item for such requested city administration action is placed on a city commission agenda, and approved pursuant to resolution or motion passed by a majority vote of the members present. Nothing in this section shall be construed to prevent a commission committee from requesting, by a vote of a majority of the committee, that the city administration provide information or perform studies, investigations, or analysis, as long as the request is (i) within the scope of the item referred to the committee, and (ii) can be performed by City staff with existing budgeted resources, and (iii) if the request involves a purchase of services, the purchase is within the city manager's purchasing authority as set forth in chapter 2, article VI of this Code. If any request by a committee to provide information or perform studies, investigations, or analysis shall require the purchase of services, such purchase shall be subject to the prior approval of the City Commission even if the purchase would otherwise be within the city manager's purchasing authority set forth in chapter 2, article VI of this Code.
