MIAMI BEACH

The Miami International Boat Show has a 50-year history with Miami Beach and is a positive reflection of the Miami Beach brand.

The Miami International Boat Show is the longest running boat show in South Florida and among the largest in-water boat shows in the world. It attracts over 100,000 upscale visitors and more than 1,000 exhibitors, contributing nearly \$1B annually in economic impact.

Trusted Partner

Informa Markets, the world's largest exhibition producer, has demonstrated a deep commitment to Miami Beach as the biggest show partner to Miami Beach Convention Center, producing over ten shows each year.

PROPOSAL:

Generate new excitement for the 2026 Discover Boating Miami International Boat Show with an upscale yacht exhibition on Miami Beach.

2026 SHOW LOCATIONS:

- Miami Beach Convention Center & Pride Park
- Yacht Exhibition in Indian Creek *
- Venetian Marina
- Museum Park Marina
- Yacht Haven Grande

* Yachts were previously exhibited in Indian Creek in 2018.

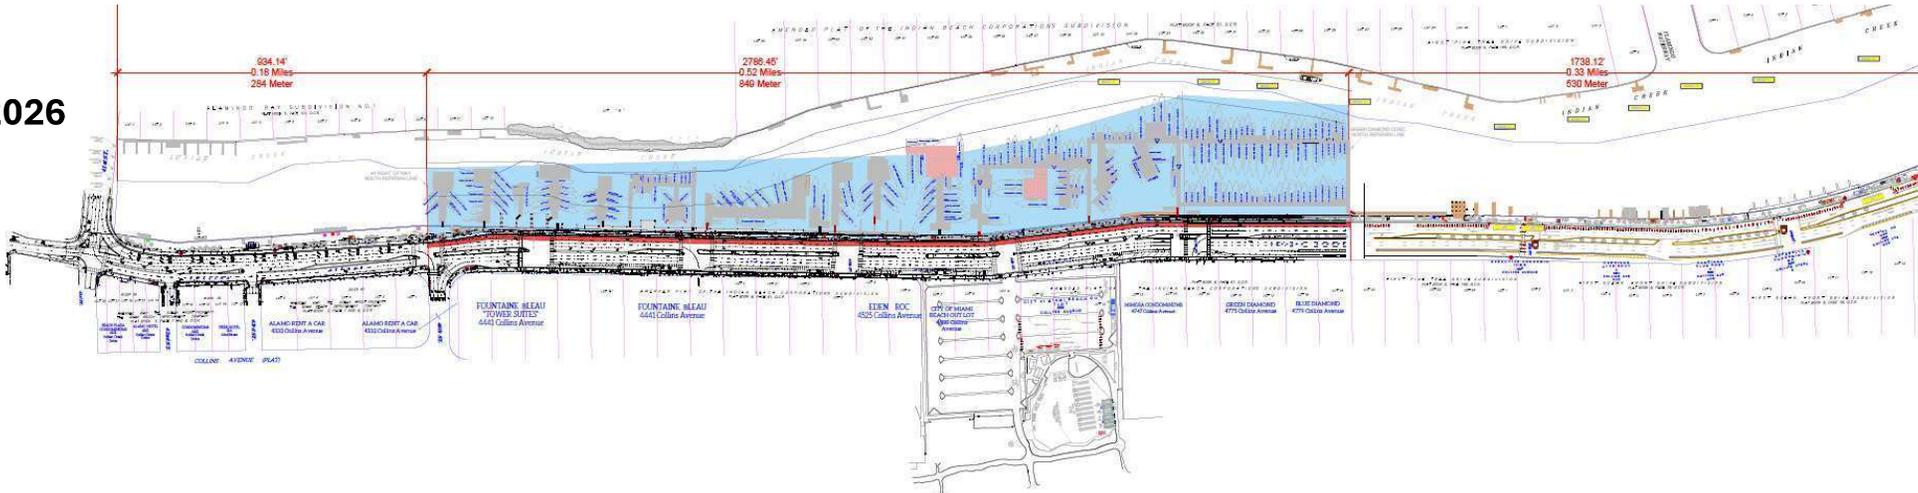

SITE PLAN: REDUCED FOOTPRINT/SIDE-BY-SIDE COMPARISON

2018

The yacht exhibition in Indian Creek in 2026 will have a significantly smaller footprint and be less disruptive than the last time yachts were exhibited in 2018.

2026

MOBILITY PLAN

Informa has commissioned an in-depth traffic and mobility study to guide the logistics plan for minimal disruption.

- Importantly, Collins Avenue will not experience any lane closures throughout the show.
- The 63rd and 79th Street bridges will maintain current opening/closing schedules.
- Shuttle buses and rideshare offerings will optimize traffic flow and utilize parking lots strategically located throughout the site plan.
- Show load-in/load out activities will be restricted on Collins Avenue and 41st Street during peak hours to minimize traffic disruption.
