

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Eric Carpenter, City Manager
DATE: October 30, 2024
TITLE: DISCUSS SENIOR MEAL SITE PROGRAMMING AT SOUTH SHORE COMMUNITY CENTER.

RECOMMENDATION

The Administration seeks to provide an update on the efforts to reinstitute a congregate meal site for seniors at the South Shore Community Center.

BACKGROUND/HISTORY

According to the Department of Elder Affairs, approximately 64 congregate meal sites offer thousands of meals daily to older residents in Miami-Dade. Congregate meal site programs deliver nutritionally balanced meals, nutrition education, and risk screening for individuals aged 60 and over and their spouses.

Congregate meal sites programs also promote social interaction and enhances health through disease prevention and health promotion activities. In some areas, nutrition counseling may also be available. Meals are designed to meet nutritional standards by following the Dietary Guidelines for Americans and providing at least one-third of the Dietary Reference Intakes. Congregate meal site programs are generally funded through the federal Older Americans Act (OAA), participant donations, and local contributions.

On June 26, 2024, the Mayor and City Commission (City Commission) heard item R7 G in conjunction with items R7 F and R7 H. Commissioner Rosen Gonzalez asked to defer the discussion of item R7 G to the September 11, 2024, Commission meeting for additional consideration.

On September 11, 2024, the City Commission approved Resolution No. 2024-33271, directing the City Administration to develop a plan for re-opening the senior meal site program at the South Shore Community Center, and to provide an update to the City Commission at the October 30, 2024, meeting. Additionally, Item C4K issued a referral to the Finance and Economic Resiliency Committee (FERC) to discuss programming at the South Shore Community Center.

On September 13, 2024, a Sunshine meeting was held at the South Shore Community Center to conduct a walk-through of the facility, in an effort to explore possible programming.

On September 16, 2024, the City Commission discussed a one-time expenditure enhancement for FY 25 in the amount of \$175,000, to reinstate the Senior Meal Site programming at the South Shore Community Center.

On September 25, 2024, the Mayor and City Commission adopted Resolution No. 2024-33294, adopting the final budgets for the General, G.O. Debt Service, City Center RDA Ad Valorem Taxes, North Beach CRA Ad Valorem Taxes, Enterprise, Internal Service and Special Revenue Funds for Fiscal Year 2025.

ANALYSIS

Currently, there are four (4) elderly congregate meal sites operated by non-profit providers throughout Miami Beach:

- Rebecca Towers (operated by Little Havana Activities and Nutrition Center), 150 Alton Road
- Diener Jewish Community Services Family Center (operated by Jewish Community Services, serves Kosher meals) 610 Espanola Way
- Unidad of Miami Beach, Inc. (operated by Unidad) 7251 Collins Avenue
- Stella Maris (operated by Little Havana Activities and Nutrition Center), 8648 Harding Avenue

A fifth meal site, located at 533 Collins Avenue and operated by Little Havana Activities and Nutrition Center, is scheduled to reopen by December 31, 2024.

The Administration has contemplated a preliminary cost proposal listed below for congregate meal site programming for 50 seniors that would receive meals Monday-Friday (holiday meals would also be included and distributed to participants prior to the holiday).

South Shore Senior Meal Site Proposal		
Cost Category	Calculation	Total Cost
Meals	50 seniors × \$6.50/meal × 253 working days	\$82,225
Advertising	Estimate	\$5,000
Salaries and Fringe	Estimate	\$40,000
Programming/Events	Estimate	\$7,500
Utilities	Estimate	\$7,500
Insurance	Estimate	\$7,500
Unallocated/Contingency	Equipment Repair or Maintenance	\$25,000
Total Costs	Sum of all costs	\$174,725

The Administration suggests issuing a Request for Proposals (RFP) to attract experienced vendors who can provide a cost analysis and service plan aimed at maximizing the City's budget while serving as many seniors as possible.

It is also important to note that to accommodate 50 seniors in the existing facility, some minor improvements will be necessary, although the cost for these upgrades is yet to be determined.

Listed below is a proposed timeline for reinstating the senior/congregate meal site programming:

- **FERC Discussion:** November 8, 2024
- **Commission Approval for RFP Issuance:** January 2025
- **RFP Issuance:** January/February 2025
- **RFP Closing Date:** February/March 2025
- **Commission Award:** April/May 2025
- **Contract Negotiation:** May 2025

The Administration will provide the Commission with an update after the FERC discussion.

FISCAL IMPACT STATEMENT

\$175,000

Does this Ordinance require a Business Impact Estimate? N/A
(FOR ORDINANCES ONLY)

If applicable, the Business Impact Estimate (BIE) was published on:
