

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission

FROM: Eric Carpenter, City Manager

DATE: October 30, 2024

TITLE: REFERRAL TO THE PLANNING BOARD - ORDINANCE AMENDING THE COMPREHENSIVE PLAN TO CHANGE THE FUTURE LAND USE CLASSIFICATION OF PRIDE PARK.

RECOMMENDATION

The Administration recommends that the Mayor and City Commission (City Commission) refer the attached draft ordinance to the Planning Board.

BACKGROUND/HISTORY

On March 13, 2024, at the request of Commissioner Alex Fernandez, the City Commission referred a proposal to modify the future land use classification of Pride Park (C4 M) to the Land Use and Sustainability Committee (LUSC). On May 1, 2024, the item was deferred to a future LUSC date, with no discussion. On September 5, 2024, the LUSC discussed the proposal and recommended that the City Commission refer an ordinance to the Planning Board.

ANALYSIS

Pride Park is currently classified as Public Facilities - Convention Center Facilities (PF-CCC) on the City's Future Land Use Map (FLUM). The purpose of this designation is to provide development opportunities for facilities necessary to support the convention center.

Although open space, the area of Pride Park remains under the Civic and Convention Center (CCC) zoning classification, which allows the land area to be utilized for purposes of establishing a larger unified site that includes City Hall, the Convention Center and future hotel, the Holocaust Memorial and the Botanical Gardens. The benefits of having a larger overall site include the potential future expansion of the convention center, as well as the ability to meet minimum off-street parking requirements within the public garages on the larger site. For example, as a single development site, the minimum parking requirement for adjacent facilities may be satisfied within those garages and parking facilities located in the CCC district, due to inclusion within the larger unified site.

The attached draft ordinance creates a new future land use category of "Recreation and Open Space - Civic and Convention Center (ROS-CCC)," which would be specific to Pride Park. This new category would be similar to the Recreation and Open Space (ROS) FLUM category, and require that Pride Park remain as open, park space. It would also be consistent with the underlying zoning designation of CCC, and allow for a continued, unified site.
