COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission

FROM: Commissioner Alex Fernandez

DATE: December 11, 2024

TITLE: REFERRAL TO THE PUBLIC SAFETY AND NEIGHBORHOOD QUALITY OF LIFE COMMITTEE TO DISCUSS POSSIBLE INSTALLATION OF BLUE STAR AND GOLD STAR MEMORIAL MARKERS AT CANOPY PARK.

RECOMMENDATION

Please place on the December 11, 2024 agenda a referral to the Public Safety and Neighborhood Quality of Life Committee ("PSNQLC") to discuss possible installation of the Blue Star and Gold Star Memorial Markers at Canopy Park, at the urging of the Miami Beach Garden Club (MBGC) and Miami Beach Veterans of Foreign Wars Post 3599.

The Blue Star Memorial Marker Program has been in existence under the auspices of the National Garden Clubs for more than 79 years. The Blue Star Marker Program honors all men and women that serve in the United States Armed Services. The Blue Star and Gold Star were adopted because they had become icons in World War II and were seen on flags and banners in homes, churches and businesses, for sons and daughters away at war and for those who had lost their lives. The Blue Star represents hope and pride, while the Gold Star represents sacrifice.

The marker that MBGC proposes to install was originally dedicated in Key West in 1949 then gifted to the MBGC. MBGC refurbished and dedicated the Marker at the terminus of the Julia Tuttle Causeway on State Road 907 (Alton Road) in May of 1980 where it served as a Memorial Marker for 49 years. In 2019 it was replaced with a new Blue Star Memorial Marker at the same location and the first Florida marker was decommissioned as a Memorial Marker and MBGC now seeks to designate it as a Historical marker.

I believe an important piece of Florida's history should be restored and displayed in a prominent location, and the installation of these markers would inspire patriotic participation by citizens and visitors alike.

Target Date of Installation May 26, 2025

Proposal:

The Miami Beach Garden Club (MBGC) would like to install an Armed Services memorial in the southeast end of Canopy Park to honor our Armed Services Members. Canopy Park is an appropriate location for this honor as it is across the street from the VFW Post home.

Scope of the Memorial:

MBGC would like the memorial to include;

1. The first Blue Star Memorial marker in Florida. This marker was originally placed at the terminus of US Highway 1, a State designated Memorial Highway (May 12, 1947). This Historical Blue Star Marker has been decommissioned as a Memorial Marker as it is irreparable, but deserves a place of historical recognition.
2. A Gold Star Memorial marker to honor those who have fallen while defending our country and freedoms.
3. An insignia plaque for each of the 6 branches of the armed services.
4. A granite stone monument with the engraved history of the Blue/Gold Stars program

The National Garden Clubs Blue Star Marker Program:

The Blue Star Memorial Marker Program has been in existence under the auspices of the National Garden Clubs for more than 79 years. The Blue Star Marker Program honors all men and women that serve in the United States Armed Services. This program began with the planting of 8,000 Dogwood trees by the New Jersey Council of Garden Clubs in 1944, as a living memorial to veterans of World War II. In 1945, the National Council of State Garden Clubs (now NGC, Inc.) adopted this program and began a Blue Star Highway system that covers thousands of miles across the Continental United States, Alaska, and Hawaii. The Blue Star and Gold Star were adopted because they had become icons in World War II and were seen on flags and banners in homes, churches and businesses, for sons and daughters away at war and for those who had lost their lives. The Blue Star represents hope and pride. The Gold star represents sacrifice. For more information go to <https://gardenclub.org/blue-and-gold-star-memorials>

National Garden Clubs, Inc. is committed to placing Blue Star & Gold Star Markers in honor of our nation's Armed Forces and the Miami Beach Garden Club is proud to be a part of this national patriotic program.

The Miami Beach Garden Club's HISTORICAL Blue Star Marker:

The inscription on the marker that MBGC proposes to install, pays tribute to veterans of World War II thus confirming that the marker was originally acquired prior to 1951. After 1951, the inscription on the Blue Star Memorial Markers paid tribute to all veterans, having removed the WWII reference. In addition, the marker's inscription includes the "State Road Department of Florida". All highway markers manufactured after 1969 read "Florida Department of Transportation". Historical research has proven that the marker placed in Miami Beach in 1980 by the Miami Beach Garden Club, was obtained from another Florida garden club.

In Florida there were only five markers dedicated with the pre-1951 inscription. Three of those original markers are still in place. A fourth one was replaced prior to 1969. The fifth marker, originally dedicated in Key West on May 30, 1949 at the terminus of US 1, was replaced about the same time the Miami Beach marker was dedicated in 1980. The original Key West marker was identical in its wording to the one placed in Miami Beach. The Key West Garden Club offered the marker they replaced to the Miami Beach Garden Club which had the marker repaired and repainted, for the dedication in Miami Beach. The marker served as a memorial marker at the terminus of the Julia Tuttle Causeway on Alton Road until 2019 when the Club petitioned the State of Florida to grant State Road 907 (Alton Road) Memorial Highway Status and dedicated a Memorial Marker listing as sponsors the City of Miami Beach and the Miami Beach Garden Club.

Conclusion:

The historical marker, which Miami Beach Garden Club wants to install in Canopy Park, is the first Blue Star Memorial Highway Marker ever dedicated in Florida on Florida's first designated Blue Star Memorial Highway (US 1). As such, it is an important piece of Florida's history that should be restored and displayed in a prominent location.

Taking into consideration the rich history of Miami Beach and the Armed Forces, especially during World War II, and with the full support of the Miami Beach VFW Post 3559, the southeast end of Canopy Park has been identified as a desirable location to place this Armed Services Memorial to honor those who serve, have served and those that have given their life for our freedom.
