Dr. Rosenfeld,

At this time, we do not need a net to stop field goal kicks over the fence. Eventually when the park is built in the back, we would just need access to the other side to get any balls that are hit over the fence. It is a simple, cheap way to deal with the occasional times we lose balls over the fence. Thank you.

Thank you.

It seems the PTA has also added Goal post nets — \$50,000 to the list.

Is this something you can handle as well?

Leslie
