OUR CONCEPTS BOUCHERIE

Boucherie concept was born five years ago with an idea to build a restaurant that will capture cancan spirit of Belle Époque, with menu that contains touches of decadence from foie gras to caviar tarte, prime ribs, waffle selection or Butcher's block. The philosophy of this was inspired the foundation of Boucherie.

Boucherie is created to be the perfect blend of an indulgent steak house and a refined Parisian brasserie.

LA GRANDE BOUCHERIE

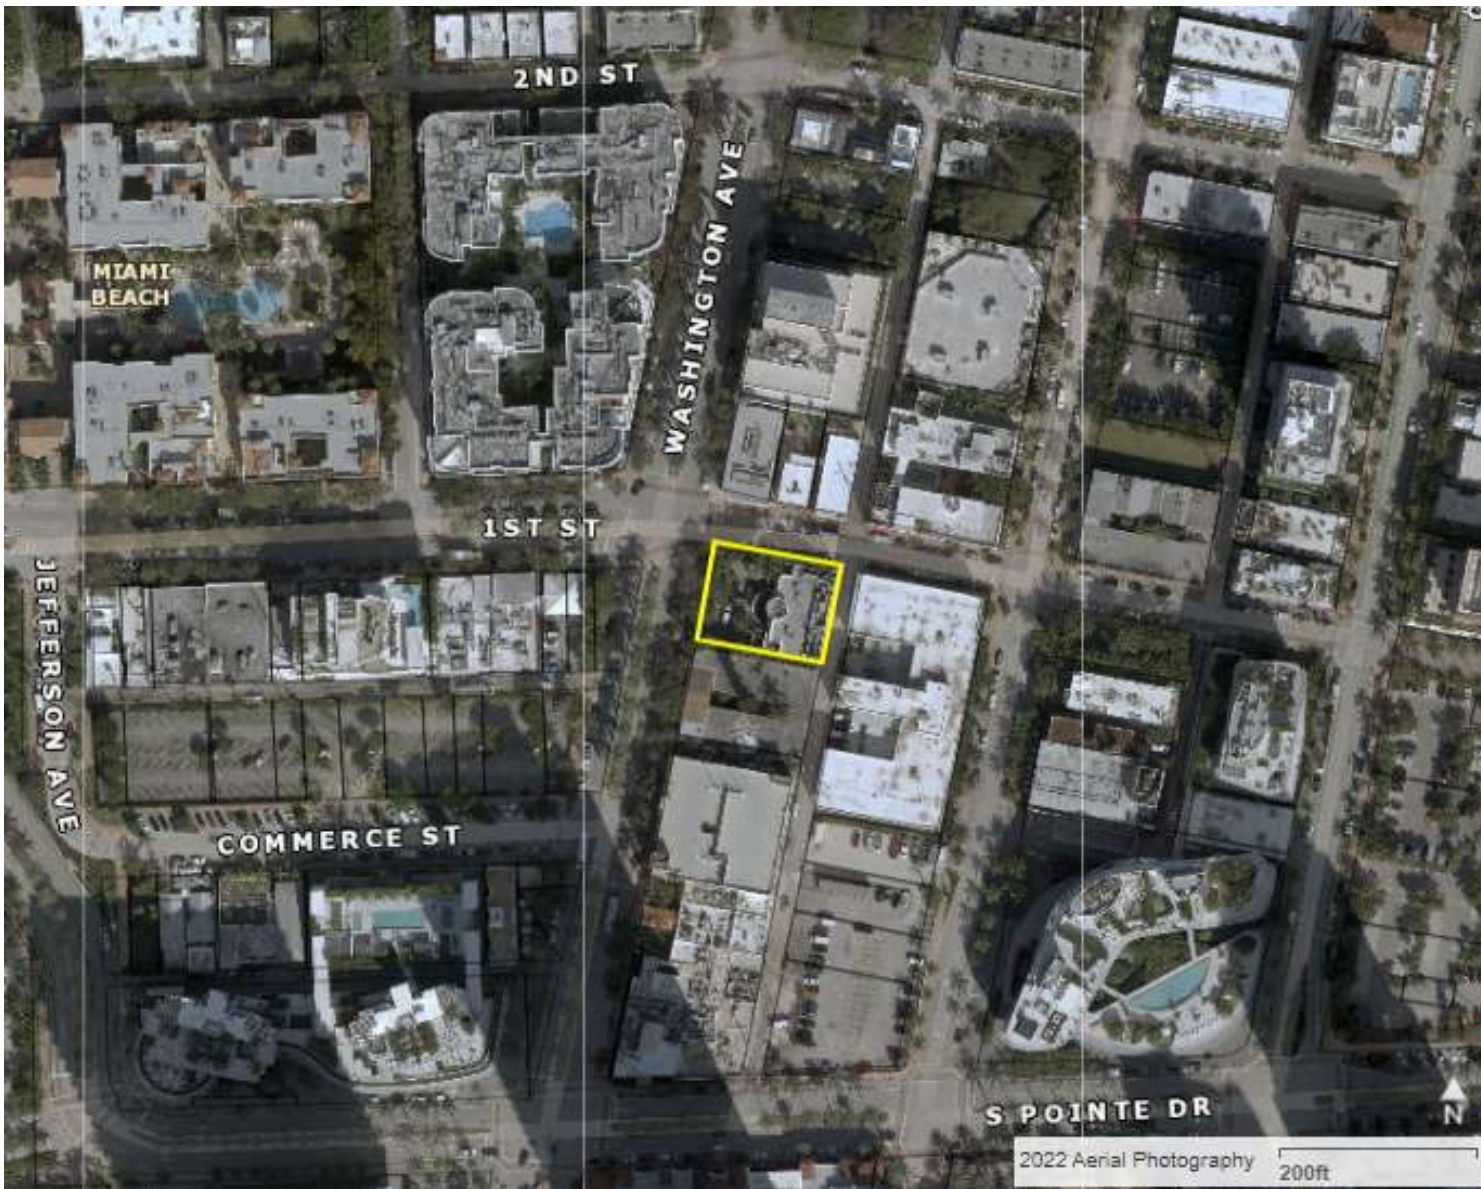

This one-of-a-kind Brasserie is located in the beating heart of Midtown with entry access through the unique pedestrian arcade at 612 Avenue, between 53rd and 54th St, with 5,500 ft floor and 6,000 ft² plans, is featuring 20 ft ceilings.

Upon entering, you are carried away to a different time and place. This space evokes the joie de vivre of the Belle Époque era of Paris through a careful and meticulous revival of Art Nouveau forms. The site's existing architecture offers the perfect canvas for an expressive rehabilitation and reversion of a style.

Surrounded by some of New York's most remarkable landmarks, it brings an elevated Boucherie experience while setting a new dining standard for this historic and thriving Manhattan neighborhood.
