RECOMMENDATION

The Administration recommends that the Mayor and City Commission (City Commission) approve the subject ordinance at First Reading and schedule a Second Reading public hearing for April 23, 2025.

BACKGROUND/HISTORY

On September 11, 2024, at the request of Commissioner Alex Fernandez, the City Commission referred an item (C4 U) to the Land Use and Sustainability Committee (LUSC) pertaining to notice requirements for tenants of residential buildings. On October 14, 2024, the LUSC discussed the proposal and recommended that the City Commission refer an ordinance amendment to the Planning Board in accordance with the recommendations in the LUSC memorandum.

On November 20, 2024, at the request of Commissioner Alex Fernandez, the City Commission referred the ordinance (C4 N) to the Planning Board. The item is co-sponsored by Commissioner Joseph Magazine.

ANALYSIS

The attached ordinance amends the Land Development Regulations of the City Code (LDRs). Specifically, Chapter 1 of the LDRs is proposed to be amended to create a definition for a housing impact statement, and Chapter 2 of the LDRs will be amended to create a requirement for a housing impact statement in the application requirements and review criteria for all land use boards. A corresponding amendment to the Comprehensive Plan is also proposed, as a separate ordinance.

The housing impact statement would be provided for tracking purposes and to inform future policy discussions of the board and/or the City Commission but may not serve as a basis for the approval or denial of a conditional use application.

PLANNING BOARD REVIEW

On January 7, 2025, the Planning Board held a public hearing and transmitted the proposed ordinance to the City Commission with a favorable recommendation (7-0).
