We respectfully request sponsorship in the amount of \$20,000, contributing to a total event budget of \$70,000. The remaining funds will be secured through community contributions and private sponsorships. The requested sponsorship will help cover essential event costs, including staging, sound and lighting, concert talent, and security, ensuring a safe, vibrant, and engaging experience for all attendees.

Now in its 6th year, Simchas Bais Hashoeiva has grown into a cultural landmark event that strengthens community bonds, fosters inclusivity, and contributes to Miami Beach's reputation as a premier destination for cultural tourism. The support of the City of Miami Beach has been instrumental in the event's success, and we look forward to once again collaborating with your outstanding department to bring this joyous celebration to life.

Thank you for your consideration and continued support. I welcome the opportunity to discuss this request further and look forward to another successful partnership.

Sincerely,

Shmulie Shmotkin

Director of Programming
