SUBJECT: **PB23-0606. 1759 Purdy Ave.** Progress report as required by the Conditional Use Permit.

RECOMMENDATION

Review the issue of non-compliance regarding the BTR for the valet operation and conclude the progress report.

BACKGROUND

November 27, 2018: The Planning Board approved a Conditional Use Permit (CUP) for a mixed-use structure over 50,000 square feet, including two (2) restaurants, each exceeding 100 seats.

December 4, 2018: The Design Review Board reviewed and approved the design for a new five-story mixed use building including a variance (DRB17-0198).

December 14, 2020: The Planning Board approved a modification to the previously approved CUP to introduce office uses in the proposed project.

January 30, 2024: The Planning Board approved modifications to the CUP, including increasing the number of restaurant seats and maximum occupancy load.

March 6, 2025: BTR (Business Tax Receipt) was issued to Uchiko Miami Beach, a new restaurant on the subject site.

STAFF ANALYSIS

On January 30, 2024, the Planning Board approved modifications to the CUP, including increasing the number of restaurant seats and maximum occupancy load (CUP attached). Condition 2 of the CUP requires that the applicant appear before the Planning Board for a progress report within 90 days from the issuance of the business tax receipt (BTR) for any of the uses on site. On March 6, 2025, a BTR was issued for the first use on the subject site.

As part of the progress report, the Board is being advised of the following citation issued by the Code Compliance Department regarding the operation of the venue:

1. 3/10/2025 –CC2025-19791

- Upon my arrival I did find a valet company posted on the public's right of way. When I approached the valet company I've asked them for a right of way permit to which they did not have one. I explained the ordinance to which they then immediately complied

by moving the valet post into the private property. But, upon researching this case the valet company does not have a valid BTR to operate. A notice of violation has been issued and signed by the manager Rafael. 1st offense with a \$1000.00 fine. They immediately ceased operations.

- **Fine Paid**

On 4/8/2025 a BTR was issued for the valet operation (BTR016597-03-2025)

The following conditions of approval contained in the Conditional Use Permit are applicable to the progress report:

1. This Conditional Use Permit (CUP) is issued to Sunset Land Associates, LLC, and SH Owner, LLC, to construct a five (5) story mixed use project, consisting of office, retail, personal service, restaurant, and residential uses, or any combination of such uses. Any proposed change to the uses approved in this Conditional Use shall require the review and approval of the Planning Board.
2. The Planning Board shall maintain jurisdiction of this Conditional Use Permit. The applicant shall appear before the Planning Board for a progress report within 90 days from the issuance of the business tax receipt (BTR) for any of the uses on site.

When BTRs are issued for at least 75% of the building area, but no later than one (1) year from the issuance of a BTR for any of the proposed uses on site, the applicant shall appear before the Planning Board for a progress report specific to traffic, including providing a full revised traffic study outlining the actual transportation operations on-site and in the surrounding initial study area, and including valet operations, if any, and loading/servicing of the building.

The Board reserves the right to modify the Conditional Use approval at the time of a progress report in a non-substantive manner, to impose additional conditions to address possible problems and to determine the timing and need for future progress reports. This Conditional Use is also subject to modification or revocation under ~~City Code Sec. 118-194 (e)~~ Section 2.5.2.5 of the Miami Beach Resiliency Code.

3. The conditions of approval for this Conditional Use Permit are binding on the applicant, the property applicants, operators, and all successors in interest and assigns. Any change of operator or 50% (fifty percent) or more stock ownership, partnership interest or equivalent, shall require the new owners or operators to submit an affidavit, approved by City, to the City of Miami Beach Planning Department transferring approval to the new owners and/or operators and acknowledging acceptance of all conditions established herein, prior to the issuance of a new Business Tax Receipt.
4. The Planning Board shall retain the right to call the owner or operator back before the Board and make modifications to this Conditional Use Permit should there be valid complaints about loud, excessive, unnecessary, or unusual noise. Nothing in this provision shall be deemed to limit the right of the Planning Board to call back the owner or operator for other reasons and for other modifications of this Conditional Use Permit.

Page 3 of 3

As the above noted code violation was corrected with the issuance of a BTR for the valet operation on 4/8/2025, and no other complaints or violations have been noted as of the writing of this report (5/19/2025), staff recommends that the progress report be concluded at this time. As required by the CUP, each use on the property is required to have a progress report before the Board, and when BTRs are issued for 75% of the building area, but no later than one year from the issuance of the first BTR, a comprehensive progress report specific to traffic is required.

STAFF RECOMMENDATION

Staff recommends that the Board hear testimony from the applicant and the public and conclude the progress report.

5. Substantial modifications to the plans submitted and approved as part of the application, as determined by the Planning Director or designee, may require the applicant to return to the Board for approval.
