

RESOLUTION NO. 2025 - \_\_\_\_\_

**A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, DIRECTING THE CITY ADMINISTRATION TO CONDUCT A COMPREHENSIVE REVIEW OF THE CITY'S REGULATORY FRAMEWORK AS IT AFFECTS SMALL BUSINESSES WITHIN 120 DAYS; TO IDENTIFY ORDINANCES, RULES, AND PROCESSES THAT ARE UNDULY BURDENSOME—including those governing permitting, business tax receipts, environmental review, and ongoing operations—and to return to the Mayor and City Commission with recommended reforms that reduce cost, time, and complexity while maintaining public safety and compliance with state and county law; and to present a status report at the September 3, 2025 City Commission Meeting.**

**WHEREAS**, small businesses constitute the backbone of the City of Miami Beach's economy, representing a majority of storefronts and service providers; and

**WHEREAS**, many local entrepreneurs report that the cumulative effect of City, County, and State regulations—spanning zoning approvals, building permits, Business Tax Receipts, environmental (DERM) clearances, and recurring operational requirements—creates significant barriers to opening and sustaining a business; and

**WHEREAS**, although Code Compliance diligently and faithfully enforces the rules, many of the ordinances on the books—long-layered, redundant, or simply outdated—impose disproportionate hardship on small businesses with limited administrative resources; and

**WHEREAS**, the Mayor and City Commission are committed to fostering an environment in which small businesses can thrive without unnecessary procedural or financial burdens, while still ensuring public safety, environmental stewardship, and neighborhood quality of life; and

**WHEREAS**, a data-driven review—conducted in partnership with affected stakeholders—will enable the City to modernize its regulatory framework, streamline internal processes, reduce compliance costs, and enhance Miami Beach's overall economic resilience; and

**WHEREAS**, the Administration is hereby directed to undertake, within one hundred twenty (120) days, a comprehensive review of the City's ordinances, administrative rules, and inter-agency processes that govern (a) opening a business, (b) obtaining and renewing required licenses and permits, and (c) day-to-day operations, with a specific focus on impacts to small businesses; and

**WHEREAS**, the review shall evaluate redundancies, outdated provisions, conflicting requirements, and processing timelines involving, but not limited to, Planning, Building, Fire, Code Compliance, Finance (Business Tax Receipt), and Public Works; and

**WHEREAS**, the Administration should be prepared to present a status report to the Commission at its September 3, 2025 meeting; and

**WHEREAS**, at the conclusion of the 120 day period, the City Manager then shall present to the Mayor and City Commission a report containing (a) findings, (b) recommended repeals or

amendments to City ordinances, (c) proposed administrative or technological improvements, and (d) estimated fiscal impacts with Letter-to-Commission.

**NOW, THEREFORE, BE IT DULY RESOLVED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA,** that the Mayor and City Commission hereby direct the City Administration to conduct a comprehensive review of the City's regulatory framework as it affects small businesses within 120 days; to identify ordinances, rules, and processes that are unduly burdensome—including those governing permitting, Business Tax Receipts, environmental review, and ongoing operations—and to return to the Mayor and City Commission with recommended reforms that reduce cost, time, and complexity while maintaining public safety and compliance with State and County law; and to present a status report at the September 3, 2025 City Commission meeting.
