

RESOLUTION NO. 2025-_____

A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, ACCEPTING THE RECOMMENDATION OF THE AD HOC PERMITTING PROCESS ADVISORY COMMITTEE TO PRIORITIZE THE EFFORT TO STRENGTHEN THE INFRASTRUCTURE FOR PRIVATE PROVIDERS BY CREATING A PRIVATE PROVIDER SECTION WITHIN THE BUILDING DEPARTMENT, AND DIRECTING THE ADMINISTRATION TO TAKE ALL NECESSARY STEPS TO IMPLEMENT THIS RECOMMENDATION AS SOON AS REASONABLY PRACTICABLE.

WHEREAS, the City of Miami Beach recognizes the critical importance of a streamlined, transparent, and efficient permitting process for the continued growth and development of the city; and

WHEREAS, the Mayor and City Commission established the Ad Hoc Permitting Process Advisory Committee in February 2024 to evaluate and recommend improvements to the City's permitting process, particularly in enhancing the capacity and service levels for Miami Beach residents; and

WHEREAS, the Ad Hoc Permitting Process Advisory Committee has completed its review and, after careful consideration, recommended through a motion made by the Committee at their December 17, 2024 meeting, that the City prioritize strengthening the infrastructure for private providers by creating a Private Provider Section within the Building Department to improve the coordination and oversight of private providers, thus supporting timely and efficient permit processing; and

WHEREAS, the creation of a dedicated Private Provider Section within the Building Department would improve service delivery, enhance regulatory oversight, reduce delays, and provide better communication between private providers, applicants, and the City, ensuring continued growth and adherence to the highest quality standards; and

WHEREAS, the City Commission desires that the Administration implement the Committee's recommendation and believes that the creation of this section will result in a more efficient permitting process, enhancing the city's ability to manage and support development projects while maintaining high levels of safety, compliance, and customer satisfaction.

NOW, THEREFORE, BE IT DULY RESOLVED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, that the Mayor and City Commission hereby accept the recommendation of the Ad Hoc Permitting Process Advisory Committee to prioritize the effort to strengthen the infrastructure for private providers by creating a Private Provider Section within the Building Department, and direct the Administration to take all necessary steps to implement this recommendation as soon as reasonably practicable.
