

NOTES:
a) The flood information shown hereon does not imply that the referenced property will or will not be free from flooding or damage and does not create liability on the part of the firm, any officer or employee thereof, for any damage that results from reliance on said information.
b) The survey shows platted easements and right-of-ways. There may exist additional restrictions and/or encumbrances which affect this property.
c) Elevations shown hereon are with references to the National Geodetic Vertical Datum

(NVD) unless otherwise noted. Underground features, if any, not identified nor located except as may be indicated hereon.
g) All clearances and/or encroachments shown hereon are of the apparent nature, hence legal ownership not determined.
e) The issue of this survey is only for the exclusive and specific use of those persons, parties or institutions in the Certification.
f) Code restrictions and title search not reflected in this survey.
g) Underground utilities and encroachments, if any not located.

h) Lands depicted hereon were surveyed per legal description provided by client and no claims as to ownership or matters of title are made or implied.
i) All roads shown hereon are public unless otherwise noted.
j) No identification cap found on property corners unless otherwise noted.
k) Distance along boundary are recorded and measured unless otherwise noted.
l) The graphic portions of this document are intended to be displayed at the graphic name scales as depicted. Solid scale may be altered in reproductions and as such, should be considered when obtaining scaled data.
