DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (this "**Agreement**") is made and entered into by and among the CITY OF MIAMI BEACH, a Florida municipal corporation (the "**City**"), and jointly and severally, TMG 67 COMMUNITIES LLC, a Delaware limited liability company, DEAUVILLE ASSOCIATES LLC, a Florida limited liability company, (collectively, the "**Developer**").

Introduction

A. The property that is the subject of this Agreement lies in Miami Beach, Miami-Dade County, Florida. This Agreement, among other things, is intended to and shall constitute a development agreement between the parties pursuant to Sections 163.3220-163.3243, Florida Statutes, the "Florida Local Government Development Agreement Act (the "**Act**") and Chapter 2, Article XI of the City's Land Development Regulations (the "**Resiliency Code**").

B. The City is a Florida municipal corporation with powers and authority conferred under the Florida Constitution, the Municipal Home Rule Powers Act, Florida Statutes, the Miami Beach City Charter and the Miami Beach City Code of Ordinances. The City has all governmental, corporate and proprietary powers to enable it to conduct municipal government, perform municipal and governmental functions, and render municipal services, including the authority to adopt, implement and enforce (together with any other required governmental approvals) comprehensive plans, zoning ordinances, redevelopment plans, and other police power and legislative measures necessary to assure the health, safety and general welfare of the City and its inhabitants.

C. The Developer owns the property located at the 6701 Collins Avenue, Miami Beach, Florida, more specifically described in **Exhibit "A"** attached hereto and incorporated herein by this reference (the "**Developer Property**").

D. The Developer Property was previously developed with a contributing historic building known as the Deauville Hotel. The previously existing Deauville Hotel was constructed in 1956 and designed by noted Miami Beach architect Melvin Grossman, in the Post War Modern (MiMo) style, was classified as contributing in the Miami Beach Historic Properties Database and was located within the North Beach Resort Local Historic District.

E. The Deauville Hotel was an outstanding example of the Post War Modern style and was featured in the 1958-1959 issue of Florida Architecture. One of the most noticeable features of the building was its dramatic porte-cochere, comprised of sweeping intersecting parabolic curves, which created a defining entry point for this once all-inclusive resort. Stepped horizontal planes rose from the street to the second floor lobby entrance along the building's façade, providing shelter and a clear pedestrian procession from Collins Avenue. This lobby entrance was one of the three main differentiated architectural features of the building. Over time, the Deauville Hotel became a landmark for more than just its architecture; it was also the site of the Beatles' second performance in the United States for the Ed Sullivan Show on February 16, 1964. There were many other notable entertainers of the 1950s and 1960s that performed at the hotel, including but not limited to Frank Sinatra, Sammy Davis Jr., Dean Martin, Tony Bennett, Bing Crosby, and Judy Garland.

F. The Deauville Hotel was highlighted in the North Beach Master Plan, dated October 19, 2016, as one of the most notable hotels in the North Beach Resort District. The City's historic preservation ordinance prioritizes the protection and revitalization of sites and districts within the City having special historic, architectural, and archaeological value to the public. This includes the "protection of such historic sites and districts to combat urban blight, promote tourism, foster civic pride, and maintain physical evidence of the City's heritage"; the "encouragement and promotion of restoration, preservation, rehabilitation and reuse of historic sites and districts by providing technical assistance, investment incentives, and facilitating the development review process"; and the "promotion of excellence in urban design by assuring the compatibility of restored, rehabilitated or replaced structures within designated historic districts." See Section 2.13.1 of the Resiliency Code.

G. Deauville Associates, LLC also owns the property more specifically described in **Exhibit "B"** attached hereto and incorporated herein by this reference (the "**Garage Property**"), which is currently improved with a parking garage historically used in connection with the operation of the Deauville Hotel.

H. The Developer applied to amend the City's 2040 Comprehensive Plan and Resiliency Code to establish the "North Beach Oceanfront Overlay" through Planning Board File Nos. PB24-0708 and PB24-0693 and the City has approved the amendments through Ordinance Nos. [REDACTED]

I. The Developer seeks to redevelop the Developer Property with a partial reconstruction of the former Deauville Hotel building pedestal with a contemporary rooftop addition above the southwest portion of the reconstructed pedestal containing long term residential units, as reflected in the detailed matrix of floor areas, including residential tower floor plates attached as **Exhibit "C"** attached hereto and incorporated herein by this reference (the "**Project**").

J. The Developer intends to provide certain public benefits for the North Beach area of the City ("**North Beach**"), including: (1) partial reconstruction of the former Deauville Hotel building pedestal within a certain timeframe; (2) construction and perpetual access to pathways connecting Collins Avenue to the beach walk; (3) leasing or conveying certain areas within the Garage Property to the City for public parking and public purposes; (4) providing funding for certain costs associated with planning future improvements to the Byron Carlyle Theater site located at 500 71 Street (the "**Byron Carlyle Site**"); (5) development of a pocket park; and (6) funding of infrastructure improvements in North Beach.

K. Having fully considered this Agreement at two (2) duly noticed public hearings in compliance with Section 163.3225 of the Act; and, having determined that the Project and this Agreement are in compliance with the City's Comprehensive Plan and Land Development Regulations (as may be amended by the Comprehensive Plan Amendments and the Land Development Regulations Amendments (as more specifically defined below)) as of the Effective Date; and, having further determined that it is in the City's best interest to address the issues covered by this Agreement in a comprehensive manner; the City has agreed to enter into this Agreement with the Developer.

L. The City has determined that the Project and North Beach Benefits will benefit the City and the public, through without limitation, the partial reconstruction and reinterpretation of a contributing previous structure, increased beach accessibility, improvements to the availability of parking and infrastructure improvements in North Beach, and the facilitation of development of an Art and Culture Center at the Byron Carlyle Site.

15 Public Facilities to Service the Property. A description of the public facilities that will service the Property, including who shall provide such facilities, the date any new facilities, if needed, will be constructed, and a schedule to assure public facilities are available concurrent with the impacts of the development of the Property, is set forth in **Exhibit "E"** attached hereto and incorporated herein by this reference.

16 Public Reservations and/or Dedications. A description of the reservations and/or dedications of land for public purposes that are proposed under the terms of this Agreement is set forth in **Exhibit "F"** attached hereto and incorporated herein by this reference.

17 Required Development Permits. A listing and description of all local development permits approved or needed to be approved for the development

of the Project and the Park Project is set forth in **Exhibit "G"** attached hereto and incorporated herein by this reference.

18 Developer's Right to Terminate. The Developer shall have the option to terminate this Agreement in its sole and absolute discretion in the following events:

- a) If either or both of the Project Zoning Applications is or are denied by the City, or if either or both of the Project Zoning Approvals contain any terms, conditions or obligations not consistent with the terms and conditions of this Agreement or otherwise unacceptable to Developer in its sole and absolute discretion; or
- b) In the event the Developer elects not to proceed with the Project after the Developer has met its obligations under Paragraph 5 of this Agreement.

19. Default. Each of the following shall be an "**Event of Default**" by the Developer hereunder:

- a) If the Developer shall fail to observe or perform any term, covenant or condition of this Agreement on the Developer's part to be observed or performed and the Developer shall fail to cure or remedy the same within (i) thirty (30) days of the Developer's receipt of written notice from the City with respect to monetary defaults, or (ii) sixty (60) days of the Developer's receipt of written notice from the City with respect to non-monetary defaults (each, a "**Default Notice**"). If such non-monetary default is susceptible to cure but cannot reasonably be cured within such sixty (60) day period, then the Developer shall have such additional time as is necessary to cure such failure and no Event of Default shall be deemed to exist hereunder so long as the Developer commences such cure within such initial sixty (60) day period and diligently and in good faith pursues such cure to completion.
- b) If the Developer shall make an assignment for the benefit of creditors; or shall admit in writing its inability to pay its debts generally as they become due; or shall consent in writing to the appointment of a receiver or trustee or liquidator of all or substantially all of its property; or if all or substantially all of the assets of the Developer are attached, seized, subjected to a writ or distress warrant, or are levied upon, and the same is not dismissed, discharged or satisfied within one hundred fifty (150) days after such attachment, seizure, subjection or levy occurs.

- c) If the Developer shall commence a voluntary case under the Title 11 of the United States Code (the "**Bankruptcy Code**"); or an involuntary proceeding is commenced against the Developer under the Bankruptcy Code and the same is not dismissed or stayed within one hundred fifty (150) days after the commencement of the case; or a custodian (as defined in the Bankruptcy Code) is appointed for or takes charge of all or substantially all of the property of the Developer in any proceeding under the Bankruptcy Code and such custodian is not discharged or dismissed within one hundred fifty (150) days after such appointment; or the Developer consents in writing or joins in an application for the appointment of a custodian in any proceeding under the Bankruptcy Code; or the Developer commences any other proceedings under any reorganization, arrangement, readjustment of debt, relief of debtors, dissolution, insolvency or liquidation or similar law of any jurisdiction whether now or hereafter in effect (an "**Other Insolvency Proceeding**") relating to the Developer; or there is commenced against the Developer any such Other Insolvency Proceeding and the same is not dismissed or stayed within one hundred fifty (150) days; or a custodian, trustee or person of similar capacity is appointed for or takes charge of all or substantially all of the property of the Developer in any such Other Insolvency Proceeding and such custodian, trustee or person of similar capacity is not discharged or dismissed within one hundred fifty (150) days after such appointment; or the Developer consents in writing or joins in an application for the appointment of a custodian, trustee or person of similar capacity in any such Other Insolvency Proceeding.

In the event the City shall claim any Event of Default shall have occurred under this Agreement, the City's Default Notice shall state with specificity the provisions of this Agreement under which the Event of Default is claimed, the nature and character of such Event of Default, the date by which such Event of Default must be cured pursuant to this Agreement (if applicable), and, if elected by the City, that the failure of the Developer to cure such Event of Default by the date set forth in such Default Notice will result in the City having the right to terminate this Agreement.

- 19 Enforcement of Performance; Damages; and Termination. If an Event of Default occurs under this Agreement, and such Event of Default has not been cured within any applicable notice and cure period, the City may elect (subject to the terms, conditions and limitations set forth in this Agreement) any one or more of the following remedies:

- a) Enforce strict performance by the Developer;
- b) Terminate this Agreement; or
- c) Pursue any other remedy available to the City at law or in equity.

The City's election of a remedy under this Agreement with respect to any one or more Events of Default shall not limit or otherwise affect the City's right to elect any of the remedies available to it under this Agreement with respect to any other Event of Default.

In the event the City elects to terminate this Agreement after the occurrence of an Event of Default that was not cured within any applicable notice and cure period, and such termination is stayed by order of any court having jurisdiction of any matter relating to this Agreement, or by any federal or state statute, then following the expiration of any such stay, the City shall have the right, at its election, to terminate this Agreement with five (5) Business Days' written notice to the Developer, the Developer as debtor in possession, or if a trustee has been appointed, to such trustee.

Notwithstanding anything to the contrary contained in this Agreement, in no event whatsoever shall the Developer be liable to the City or any other person for any indirect, special, incidental, consequential, punitive, economic damages (including, without limitation, diminution of property value) lost profits or similar damages, whether or not foreseeable or advised of the possibility of the same, in connection with, arising from or as a result of any Event of Default by the Developer under this Agreement.

- 20 Termination Outside of Default. In the event either party chooses to exercise its right to terminate this Agreement under any of Paragraphs of this Agreement (apart from the City's right to terminate under Paragraph 19 of this Agreement as a result of an Event of Default by Developer), each party shall bear its own fees, costs and expenses incurred in connection with this Agreement, the Project and the Triangle Pocket Park project, and neither party shall have or owe any further obligation or liability to the other party.
- 21 Strict Performance; Waiver. No failure by the City or the Developer to insist upon strict performance of any covenant, agreement, term or condition of this Agreement or to exercise any right or remedy available to such party by reason of the other party's default hereunder shall constitute a waiver of any such default or of such other covenant, agreement, term or condition hereunder.

22 Notices. 23 Governing Laws, Construction and Litigation. This Agreement shall be governed and construed in accordance with the laws of the State of Florida, both substantive and remedial, without regard to principles of conflict of laws. The Developer and the City agree that Miami-Dade County, Florida is the

appropriate and exclusive state court venue, and that the U.S. District Court, Southern Division of Florida is the appropriate and exclusive federal court venue, in connection with any litigation between the parties with respect to this Agreement. All of the parties to this Agreement have participated fully in the negotiation and preparation hereof; and accordingly, this Agreement shall not be more strictly construed against any of the parties hereto. In construing this Agreement, captions, and section and paragraph headings shall be disregarded and the use of any gender shall include every other and all genders. All of the exhibits referenced in this Agreement are incorporated in, and made a part of, this Agreement. In the event of any litigation between the parties under this Agreement for a breach thereof, the prevailing party shall be entitled to reasonable attorney's fees and court costs at all trial and appellate levels. BY ENTERING INTO THIS AGREEMENT, THE CITY AND THE DEVELOPER EXPRESSLY WAIVE ANY RIGHTS EITHER MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY CIVIL LITIGATION RELATED TO, OR ARISING OUT OF, THIS AGREEMENT. The terms of this Paragraph shall survive the expiration or earlier termination of this Agreement.

- 24 Severability. In the event any term or provision of this Agreement be determined by appropriate judicial authority to be illegal or otherwise invalid, such provision shall be given its nearest legal meaning or construed as deleted as such authority determines, and the remainder of this Agreement shall be construed to be in full force and effect.
- 25 Time of Essence. Time shall be of the essence for each and every provision hereof.
- 26 Entire Agreement. This Agreement, together with the documents referenced herein, constitutes the entire agreement and understanding among the parties with respect to the subject matter hereof, and there are no other agreements, representations or warranties other than as set forth herein. Neither party shall be bound by any agreement, condition, warranty nor representation other than as expressly stated in this Agreement. This Agreement may not be changed, altered or modified except by an instrument in writing signed by both parties hereto, subject to the requirements for the amendment of development agreements in the Act.
- 27 Other Agreements. This Agreement has no effect on any other agreement, the City's development orders, or declaration of restrictions otherwise encumbering the Property. Any and all agreements currently in the public

records remain valid. The parties incorporate by reference each and every requirement set forth in the Act.

28 Binding Effect. The obligations imposed pursuant to this Agreement upon the Developer and upon the Property shall run with and bind the Property as covenants running with the Property, and this Agreement shall be binding upon and enforceable by and against the parties hereto and their respective successors, assigns and heirs.

29 Transfer and Assignment. TMG 67 Communities LLC ("TMG") recognizes that, in view of the importance of reconstructing a portion of the historic Deauville Hotel to the general welfare of the City and the general community, TMG's qualifications and identity are of particular concern to the community and to the City. Accordingly, TMG acknowledges that it is because of such qualifications and identity that the City is entering into this Agreement with TMG, and, in doing so, the City is further willing to accept and rely on TMG's obligations for faithfully performing all its responsibilities under this Agreement. TMG represents and warrants that the persons/entities having an ownership interest in the Developer Property and Garage Property, together with their percentage and character of ownership have been disclosed to the City.

The Developer shall not be entitled to assign or transfer this Agreement or any of the rights and obligations hereunder prior to the satisfaction or deemed satisfaction of the conditions set forth in Paragraph 5 of this Agreement without the prior written consent of the City (which consent may be withheld, conditioned or delayed in the sole and absolute discretion of the City), except as hereinafter provided. The Developer shall have the right at any time and from time to time to sell, transfer and convey all or any portion of the Property to any person or entity (a "**Subsequent Owner**") and assign and transfer this Agreement and the rights and obligations hereunder in whole or in part to any Subsequent Owner in connection with such sale, transfer or conveyance of the Property or any portion thereof without the prior consent or approval of the City, provided that a "Terra Entity" (as hereinafter defined) shall at all times (a) hold, directly or indirectly, not less than a 10% ownership interest in the Developer Property, (b) serve, directly or indirectly, as a manager of the entity that is developing the Project, and (c) exercise, directly or indirectly, day-to-day operational control of the entity as the manager of the entity that is developing the Project; provided, further, that this Agreement and the rights and obligations hereunder can be assigned and transferred to any lender, lender designee or non-lender affiliated purchaser (any of the foregoing being

referred to herein as a “**Foreclosure Purchaser**”) who acquires the Property or any portion thereof through a foreclosure sale or deed-in-lieu of foreclosure without the prior consent or approval of the City, provided, in the event of an acquisition of only a portion of the Property by a Foreclosure Purchaser, a Terra Entity shall remain a partial owner of any portion of the Property not acquired by the Foreclosure Purchaser. Direct and indirect owners of Developer shall also be entitled to pledge their direct and indirect ownership interests in Developer to one or more lenders, and any such lender, its designee and a non-lender affiliated purchaser (any of the foregoing being referred to herein as a “**Mezzanine Foreclosure Purchaser**”) shall be permitted to acquire all or any portion of the direct and/or indirect ownership interests in the Developer through foreclosure of any such pledge or acceptance of an assignment-in-lieu of foreclosure without the prior consent or approval of the City. provided, in the event of an acquisition of only a portion of the direct and/or indirect ownership interests in the Developer by a Mezzanine Foreclosure Purchaser, a Terra Entity shall remain a partial owner of the direct and/or indirect ownership interests in the Developer not acquired by the Mezzanine Foreclosure Purchaser.

This Paragraph and the restrictions, limitations and prohibitions contained herein shall automatically terminate, extinguish and be of no further force or effect immediately upon the earlier of the following events to occur (y) the issuance of a temporary certificate of occupancy, a final certificate of occupancy or a certificate of completion for the Project, (z) the acquisition of the Property or any portion thereof by any Foreclosure Purchaser through a foreclosure sale or deed-in-lieu of foreclosure, or (aa) the acquisition of all of the direct and/or indirect ownership interests in Developer by any Mezzanine Foreclosure Purchaser through foreclosure of any such pledge or acceptance of an assignment-in-lieu of foreclosure; whereupon, the Developer, any Subsequent Owner and/or any Foreclosure Purchaser and/or any Mezzanine Foreclosure Purchaser shall have the absolute and unconditional right to sell, transfer and convey all or any portion of the Property to any person or entity and to assign and transfer this Agreement and the rights and obligations hereunder in whole or in part to any person or entity in connection with such sale, transfer or conveyance of the Property or any portion thereof without the prior consent or approval of the City whether or not a Terra Entity (aa) holds, directly or indirectly, any ownership interest in the Developer Property, (bb) serves, directly or indirectly, as a manager of the entity that is developing the Project, or (c) exercises, directly or indirectly, day-to-day operational control of the entity as the manager of the entity that is developing the Project. Any assignee or

transferee (including, any Subsequent Owner or Foreclosure Purchaser) shall assume all remaining obligations of the Developer under this Agreement at the time of such assignment or transfer of this Agreement. For purposes of this Paragraph, the term "**Terra Entity**" shall mean: (ww) Pedro Martin; (xx) David Martin; (yy) any trust established for the benefit of Pedro Martin or David Martin or any spouse, child, grandchild or sibling of Pedro Martin or David Martin (or of any combination of the foregoing); and/or (zz) any entity owned, directly or indirectly, one hundred percent (100%) by Pedro Martin or David Martin or any trust established for the benefit of Pedro Martin or David Martin or any spouse, child, grandchild or sibling of Pedro Martin or David Martin (or of any combination of the foregoing).

- 30 Force Majeure and Third-Party Challenges. All time periods set forth in this Agreement and in any approval or permit issued in connection with the Project will be tolled due to force majeure events (including, without limitation, strikes, lockouts, acts of God, pandemics, hurricanes and severe weather, and other causes beyond the control of either party), and due to delays in obtaining permits and approvals from governmental agencies, during the pendency of any "Lawsuit" (as hereinafter defined) and any unexpired appeal period thereof. For the avoidance of doubt, (a) any tolling of time periods pursuant to Section 252.363, Florida Statutes, shall apply only to the expiration date of this Agreement, but not to any other time periods set forth herein, except for any period during which the Developer is unable to complete any work or take any action due to the force majeure or other event triggering the declaration of a state of emergency and (b) with respect to any other force majeure event, time periods in this Agreement shall similarly be tolled only during such period as the Developer is unable to complete any work or take any action due to such other force majeure event. In the event that a third party unrelated to or unaffiliated with the City or the Developer institutes any action, suit or proceeding against the City relating to the Project, including, without limitation, any action, suit or proceeding challenging the validity or issuance of this Agreement, the Comprehensive Plan Amendment and/or the Land Development Regulations Amendments, the Project Zoning Approvals, or any Building Permit (in each instance, including any related appeals, a "**Lawsuit**"), then the Developer shall defend the City in any such Lawsuit at its sole cost and expense using legal counsel reasonably acceptable to the City. The Developer shall further indemnify and hold the City harmless from and against all actual damages, losses, liabilities, fees, cost and expense (including attorneys' fees, costs and expenses) of any and every kind arising out of or relating to any such

Lawsuit. This Paragraph shall survive the expiration or any earlier termination of this Agreement.

31 Indemnification of City by the Developer.

- a) To the fullest extent permitted by law, and without limiting any other indemnity obligations of the Developer set forth elsewhere in this Agreement, the Developer hereby agrees to defend, indemnify and hold harmless the City and its former, current and future elected officials, directors, attorneys, appointed officials, administrators, consultants, agents, and employees (collectively, "City Indemnified Parties") from and against all claims, damages, losses, and expenses, direct or indirect, (including but not limited to fees and charges of attorneys and other professionals and court and mediation costs) arising out of or resulting from (i) the City's adoption of any resolution or ordinance or the taking of any other action relating to this Agreement or the Project, (ii) the City's granting of permission for any activity performed under the terms of this Agreement and (iii) the construction and/or maintenance of the Project or Triangle Pocket Park Site (including all easements) and caused, in whole or in part, by any willful, reckless, or negligent act and/or omission of Developer or any person, employee, agent, or third party acting on Developer's behalf (including any contractor, subcontractor, or any person or organization directly or indirectly employed by any of them or anyone for whose acts any of them may be liable) (collectively "Losses"). The foregoing indemnity provision includes, subject to the sovereign immunity monetary limitation described below, if applicable, Developer's agreement to fully indemnify the City Indemnified Parties from any Losses alleged to have been caused, in whole or in part, by the negligent acts or omissions of the City or any person, employee, agent, or third party acting on City's behalf (including any contractor, subcontractor, or any person or organization directly or indirectly employed by any of them or anyone for whose acts any of them may be liable) (collectively "City Agents"), other than any willful, reckless, or grossly negligent act or omission of City or any other City Agent ("Excluded Act"). In the event that any City Agent is determined to be solely responsible for causing damage, loss or injury to a third party for any Excluded Act, Developer shall not be obligated to defend, indemnify or hold any City Indemnified Parties harmless. If both Developer and any City Agent are determined to be jointly liable for Losses for such a willful, reckless or grossly negligent act or omission, Developer shall pay its share of the Losses, and, in addition, shall indemnify the City Indemnified

Parties to the maximum amount to which the City Indemnified Parties are liable after application of the "sovereign immunity" limitation on damages provided by Section 768.28, Florida Statutes.

- b) In any and all claims against the City or any of its consultants, agents, or employees by any employee of Developer or any employee of any person, employee, agent, or third party acting on Developer's behalf (including contractors, subcontractors, or any person or organization directly or indirectly employed by any of them or anyone for whose acts any of them may be liable), the indemnification obligation of this section shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for Developer or by or for any person, employee, agent, or third party acting on Developer's behalf (including contractors, subcontractors, or other persons or organizations directly or indirectly employed by any of them or anyone for whose acts any of them may be liable) under workers' or workman's compensation acts, disability benefit acts, other employee benefit acts or any other service of law.

This indemnification provision shall survive the termination of any City permit and this Agreement, however terminated.

- 32 Corporate Obligations. It is expressly understood that this Agreement and the obligations issued hereunder are solely corporate obligations, and that no personal liability will attach to, or is or shall be incurred by, the incorporators, stockholders, officers, directors, managers, members, partners, trustees, beneficiaries, elected or appointed officials (including, without limitation, the Mayor and City Commissioner of the City) or employees, as such, of the Developer, the City, or any successor or assign of any of them, under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom; and that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any of all such rights and claims against, every such incorporators, stockholders, officers, directors, managers, members, partners, trustees, beneficiaries, elected or appointed officials (including, without limitation, the Mayor and City Commissioner of the City) or employees, as such, or under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom are expressly waived and released as a condition of, and as consideration for, the execution of this Agreement.

- 33 No Conflict of Interest. The Developer represents and warrants that no member, official or employee of the City has any direct or indirect financial interest in this Agreement nor has participated in any decision relating to this Agreement that is prohibited by law. The Developer represents and warrants that no officer, agent, employee, or representative of the City has received any payment or other consideration for the making of this Agreement, directly or indirectly, from the Developer.
- 34 No Third-Party Beneficiaries. This Agreement is not intended to, and shall not be construed to give, any third party (including, without limitation, any homeowners association, condominium association, or neighborhood association in the surrounding area, or any individual members thereof) any rights or interests whatsoever, nor is it intended that any third party shall be a third-party beneficiary of any provisions hereof.
- 35 Limitations of Liability and Waiver of Consequential Damages.
- a) Any tort liability to which the City is exposed under this Agreement shall be limited to the extent permitted by applicable law and subject to the provisions and monetary limitations of Section 768.28, Florida Statutes, as may be amended, which statutory limitations shall be applied as if the parties had not entered into this Agreement, and City expressly does not waive any of its rights and immunities thereunder.
 - b) The City will not in any event whatsoever be liable for any injury or damage to the Developer (unless caused by the gross negligence or willful misconduct of the City, its agents, contractors or employees), nor for any injury or damage to the Property (unless caused by the gross negligence or willful misconduct of the City, its agents, contractors or employees).
 - c) The City will not be liable to the Developer for any injury or damage to the Property caused by or resulting from gasoline, oil, steam, gas, electricity, or hurricane, tornado, flood, wind or similar storms or disturbances, or water, rain or snow which may leak or flow from any part of any property owned or maintained by the City, or leakage of gasoline or oil from pipes, appliances, sewer or plumbing works therein (unless caused by the gross negligence or willful misconduct of the City, its agents, contractors or employees).
 - d) Except as may be otherwise expressly provided herein, no approval to be made by the City in its proprietary capacity under this Agreement or

any inspection of the Project or Park Project by the City under this Agreement, shall render the City liable for its failure to discover any defects or nonconformance with any governmental requirement.

- e) No member, official, elected representative or employee of the City shall be personally liable to the Developer or any successor, assign or heir thereof in the event of any default or breach of this Agreement by the City or for any amount which may become due to the Developer or successor, assign or heir thereof under this Agreement.

36 Police Power.

- a) The parties recognize and agree that certain provisions of this Agreement require the City and its boards, departments or agencies, acting in their governmental capacity, to consider governmental actions. All such considerations and actions shall be undertaken in accordance with established requirements of state statutes and municipal ordinances in the exercise of the City's jurisdiction under the police power. Nothing contained in this Agreement shall entitle the Developer to compel the City to take any such actions, save and except for the execution of consents (if applicable) to the filing of applications for the Project Zoning Approvals and Development Permits as more fully set forth herein and to timely process such applications.
- b) The parties further recognize and agree that these proceedings shall be conducted openly, fully, freely and fairly in full accordance with law and with both procedural and substantive due process to be accorded the applicant and any member of the public. Nothing in this Agreement shall be construed to prohibit the City from duly acting under its police power to approve, approve with conditions, or reject any public hearing application dealing with the Property.

EXECUTED as of the date first above written in several counterparts, each of which shall be deemed an original, but all constituting only one agreement.
