

MIAMI BEACH

COMMITTEE MEMORANDUM

TO:	Finance and Economic Resiliency Committee Members
-----	---

FROM: Rickelle Williams, Interim City Manager

DATE: June 28, 2024

TITLE: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, DIRECTING THE ADMINISTRATION TO EXPLORE THE FEASIBILITY OF SUB-CONTRACTING SOME OF THE BUILDING DEPARTMENT'S PERMITTING FUNCTIONS FOR MAJOR COMMERCIAL PROJECTS TO MIAMI-DADE COUNTY'S BUILDING DEPARTMENT; AND FURTHER, REFERRING THIS MATTER TO BE FULLY CONSIDERED AND DISCUSSED BY THE FINANCE AND ECONOMIC RESILIENCY COMMITTEE.

BACKGROUND/HISTORY

Currently, the Building Department utilizes external services through agreements with professional firms and temporary staffing agencies to supplement staff and maintain service levels. Additionally, there are professional service agreements with personnel from the City of Doral who also supplement staffing. It should be noted that most major commercial projects use Private Providers for review and inspection.

ANALYSIS

In initial discussions with the County, we discovered that a similar arrangement has been implemented within the Rapid Transit Zones, where the County has full authority over permitting, including Fire and Zoning. This extends beyond major construction to all subsequent necessary permits for future repairs. This assessment should also consider how outsourcing will impact coordination with the City's Fire, Planning & Zoning, and other permitting departments.

The Administration will explore the possibility of outsourcing the permitting for major commercial projects to the County. Further guidance is needed on the specific desired outcome and whether the intention is to outsource the entire permitting process for major commercial projects from application intake to final inspection.
