

MIAMI BEACH

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission

FROM: Eric Carpenter, City Manager

DATE: December 11, 2024 11:25 a.m. First Reading Public Hearing

TITLE: FAR EXCEPTION FOR GENDER-NEUTRAL RESTROOMS
AN ORDINANCE OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING THE CODE OF THE CITY OF MIAMI BEACH, SUBPART B, ENTITLED "MIAMI BEACH RESILIENCY CODE," CHAPTER 1, ENTITLED "GENERAL PROVISIONS," ARTICLE II, ENTITLED "DEFINITIONS," SECTION 1.2.1, ENTITLED "GENERAL DEFINITIONS," BY AMENDING THE DEFINITION FOR FLOOR AREA TO CREATE AN EXCEPTION FOR UNISEX OR GENDER-NEUTRAL RESTROOMS; AND PROVIDING FOR CODIFICATION, REPEALER, SEVERABILITY, AND AN EFFECTIVE DATE.

RECOMMENDATION

The Administration recommends that the Mayor and City Commission (City Commission) approve the subject ordinance at First Reading and schedule a Second Reading public hearing for February 2025.

BACKGROUND/HISTORY

On June 26, 2024, at the request of Commissioner Alex Fernandez, the City Commission referred an item pertaining to an Floor Area Ratio (FAR) exception for gender neutral restrooms (C4 T) to the Land Use and Sustainability Committee (LUSC) and the LGBTQIA+ Advisory Committee. On September 5, 2024 the LUSC discussed the proposal and recommended that the City Commission refer an ordinance to the Planning Board. On September 10, 2024, the LGBTQIA+ Advisory Committee discussed and unanimously endorsed the proposal to amend the definition of "Floor Area" to exempt Unisex/Gender Neutral Restrooms from the definition of "Floor Area."

On October 30, 2024, at the request of Commissioners Alex Fernandez and Joseph Magazine, the City Commission referred the subject ordinance to the Planning Board.

ANALYSIS

The attached draft ordinance amends the General Definitions Section (1.2.1) of the Land Development Regulations of the City Code (LDRs) to create an exception to the definition of floor area for gender neutral restrooms.

Gender neutral restrooms have several benefits, including creating a safe and accessible environment for all people. This includes accommodating people with special needs, families with small children, elderly individuals with a caregiver, as well as transgender and gender non-conforming individuals. Exempting such restrooms from floor area calculations is intended to encourage their use by allowing the square footage of such facilities to be allocated for other uses in a building.

PLANNING BOARD REVIEW

On November 26, 2024, the Planning Board is scheduled to hold a public hearing and transmit the proposed ordinance to the City Commission. The Administration will advise the City Commission on the recommendation of the Planning Board at the Commission meeting.

FISCAL IMPACT STATEMENT

No Fiscal Impact Expected
