

### **Survey Introduction**

Welcome to our community housing needs assessment survey! As part of our commitment to enhancing housing opportunities and fostering equitable living conditions in Miami Beach, we are seeking your valuable input. The goal is to develop policies that support the creation of attainable rental housing options for all residents, particularly those in the “missing middle” who are increasingly finding themselves priced out of the market. Your insights will help address the challenge of finding modern, affordable or attainable rental options and ensure that Miami Beach remains a vibrant and inclusive community for everyone. Your feedback is crucial in helping us shape effective solutions for a more balanced and accessible housing landscape.

This survey has 5 key sections plus a demographic section. It should take less than 10 minutes to respond.
