COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Commissioner Joseph Magazine
DATE: February 3, 2025
TITLE: REFERRAL TO THE FINANCE AND ECONOMIC RESILIENCY COMMITTEE TO DISCUSS THE EXPANSION OF MUSCLE BEACH AND THE LUMMUS PARK SPOIL AREA TO INCLUDE MORE HEALTH, WELLNESS, AND SPORTS ACTIVITIES.

RECOMMENDATION

Please place on the February 3, 2025 City Commission meeting agenda a referral to the Finance and Economic Resiliency Committee ("FERC") to discuss the expansion of Muscle Beach and the Lummus Park spoil area to include more health, wellness and sports activities.

BACKGROUND/HISTORY

Muscle Beach is a popular attraction for fitness enthusiasts, which serves as an outdoor area for exercise, weight lifting and gymnastics, and features two nature-inspired installations: MyEquilibria's Leopard Tree and MyBeast. These functional structures collectively feature over 30 workout components. The first of its kind to be featured in a public park in the United States, the installation of this high-end fitness equipment brings art and functionality to the beach and is accessible to visitors and residents alike. Muscle Beach also includes a fitness performance locker with additional workout gear.

Given the success and popularity of Muscle Beach, expanding its offerings would be a valuable enhancement. Furthermore, incorporating more health, wellness, and sports activities into the Lummus Park area would further strengthen the City's commitment to promoting health and wellness.
