FOR HOMELESS EMPLOYMENT SERVICES DURING FY 2025 IN AN AMOUNT NOT TO EXCEED \$100,000 FOR THE INITIAL TERM OF THE AGREEMENT; SAID AGREEMENT HAVING AN INITIAL TERM COMMENCING ON OCTOBER 1, 2024 AND EXPIRING ON SEPTEMBER 30, 2025, WITH ONE (1) ADDITIONAL ONE-YEAR RENEWAL TERM, AT THE CITY'S OPTION AND SUBJECT TO FUNDING APPROVAL; AND FURTHER AUTHORIZING THE CITY MANAGER TO FINALIZE AND EXECUTE THE AGREEMENT.

RECOMMENDATION

The Administration recommends approving the Resolution to authorize pursuant to Section 2-366(c)(2) of the City code for exempt professional services in accordance with Florida Statute 287.057 the execution of the Professional Services Agreement between the City of Miami Beach and Favela Miami Corp ("Favela Miami") for homeless employment services for an amount not to exceed \$100,000.

BACKGROUND/HISTORY

In 2016, the Office of Housing and Community Services piloted a program with H.O.P.E. in Miami Dade, Inc. to provide employment training to homeless persons that accepted shelter. Under the supervision of the contracted vendor (H.O.P.E.), homeless individuals conducted street outreach to homeless peers to share the benefits of accepting homeless services. Following a successful pilot, funding for the employment training program became recurring in the department's operating budget.

Per Florida Statute 287.057, health services, including, but not limited to, substance abuse and mental health services, involving examination, diagnosis, treatment, prevention, or medical consultation, when such services are offered to eligible individuals participating in a specific program that qualifies multiple providers and uses a standard payment methodology, are exempt from competition.

On October 13, 2022, the City executed an agreement with Favela Miami in the amount of \$69,556.93 for the provision of homeless employment services via peer street outreach. The Agreement was subsequently amended to increase the program's budget to \$78,869.91, and to amend the scope of services to allow individuals experiencing homelessness to be temporarily employed in activities involved with the Sanitation Division of the City's Public Works Department, and to be further assisted with resumé building services and referrals to temporary job agencies.

During the FY 2023 Agreement, Favela Miami employed fifteen (15) sheltered homeless persons for street outreach and sanitation duties and has assisted an additional twenty-five (25) sheltered persons with obtaining permanent employment.

Furthermore, on September 13, 2023, the Mayor and City Commission adopted Resolution No. 2023-32730, approving the Professional Services Agreement with Favela Miami in an amount not to exceed \$100,000 for homeless employment services during Fiscal Year 2024. Favela Miami has made significant strides in supporting the City's sheltered homeless while enhancing the beauty and cleanliness of the area. Over the course of the Fiscal Year 2024 Agreement, Favela Miami employed twenty-four (24) sheltered homeless individuals for street outreach and sanitation tasks. Additionally, Favela Miami further assisted with resumé building and helped these employees in their search for permanent employment.

On September 26, 2024, the Mayor and City Commission adopted Resolution No. 2024-33294, adopting the Final Budgets for the General, G.O. Debt Service, City Center, RDA Ad Valorem Taxes, North Beach CRA Ad Valorem Taxes, Enterprise, Internal Service, and Special Revenue Funds for Fiscal Year 2025. Funding for Homeless Employment Services has been included in the Office of Housing and Community Services Operating Budget for Fiscal Year 2025.

ANALYSIS

The Administration has drafted the FY 2025 agreement to include employment training, sanitation work referrals, job development, and temporary employment agency referrals for sheltered homeless clients that are referred by the City's Homeless Outreach Services Division.
