BACKGROUND/HISTORY

ANALYSIS

The Mayor and City Commission approved the Ordinance on first reading at the October 30, 2024 City Commission meeting. A summary of the proposed Ordinance is set forth below.

The City Commission has established procedures for the conduct of its monthly meetings in Chapter 2 of the Code. On June 22, 2022, the Mayor and City Commission adopted Ordinance No. 2022-4496 to strengthen the City's procedural requirements, including adopting a requirement that any ordinance or resolution initiated by a member of the City Commission with a fiscal impact greater than \$75,000.00 must be first referred to a commission committee for review and recommendation, unless it is waived by five-sevenths vote.

The sponsor of this Ordinance wishes to amend subsection 2-14(d)(1)(a) of the City Code to clarify that any ordinance or resolution initiated by a member of the City Commission with a fiscal impact greater than \$75,000.00 must be first referred to the Finance and Economic Resilience Commission Committee for review and recommendation. Furthermore, the sponsor of this Ordinance wishes to establish a 5/7ths voting requirement for the approval of any ordinance or resolution initiated and sponsored by the Mayor or a Commissioner that will have a recurring fiscal impact of more than \$50,000 per fiscal year to ensure fiscal responsibility and transparency in the allocation of public funds. The initial proposed threshold of the fiscal impact was \$25,000, but was later amended to \$50,000 by the Mayor and City Commission at first reading of the Ordinance.
