

RESOLUTION NO. 2024-_____

A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING AND RESTATING RESOLUTION NO. 2019-30954, WHICH RE-ADOPTED AND AMENDED THE CITY OF MIAMI BEACH EXISTING FINANCIAL POLICIES SET FORTH IN RESOLUTION NO. 2006-26341 RELATING TO STABILIZATION FUNDS; FUND BALANCE; CONTINGENCY PLANNING AND CASH RESERVES; USE OF NON-RECURRING REVENUES; CAPITAL ASSET ACQUISITION, MAINTENANCE, REPLACEMENT AND RETIREMENT; AND GUIDING THE DESIGN OF PROGRAM AND SERVICES, TO INCORPORATE REVISIONS TO THE STABILIZATION FUNDS AND FUND BALANCE/CONTINGENCY PLANNING AND CASH RESERVES POLICY (GENERAL FUND RESERVE POLICY), AS SET FORTH IN THE ATTACHED EXHIBIT A, WHICH SHALL REPLACE AND SUPERSEDE THE GENERAL FUND RESERVE POLICY SET FORTH IN RESOLUTION NO. 2019-30954, TO REQUIRE A 6/7th SUPERMAJORITY VOTE OF THE CITY COMMISSION IN ORDER TO APPROPRIATE ANY FUNDS FROM THE GENERAL FUND RESERVES THAT WOULD REDUCE THE GENERAL FUND RESERVE BELOW THE 17% EMERGENCY RESERVE OF THE GENERAL FUND OPERATING BUDGET OF THE ENSUING YEAR.

WHEREAS, on September 11, 2019, the City Commission adopted Resolution No. 2019- 30954, which last amended and formalized the City's financial policies relating to Stabilization Funds; Fund Balance; Contingency Planning and Cash Reserves; Use of Non-Recurring Revenues; Capital Asset Acquisition, Maintenance, Replacement and Retirement; and Guiding the Design of Programs; and

WHEREAS, the Government Finance Officers Association (GFOA) recommends that governments establish a formal policy on the level of unrestricted fund balance that should be maintained in the General Fund for Generally Accepted Accounting Principles (GAAP) and budgetary purposes; and

WHEREAS, the GFOA recommends that the adequacy of unrestricted fund balance in the General Fund should take into account each government's own unique circumstances; for example, governments that may be vulnerable to natural disasters, more dependent on a volatile revenue source, or potentially subject to cuts in state aid and/or federal grants, may need to maintain a higher level in the unrestricted fund balance; and

WHEREAS, the GFOA recommends, at a minimum, that general purpose governments, regardless of size, maintain an unrestricted budgetary fund balance in their general fund of no less than 2 months of the general fund budget; and

WHEREAS, in light of the City's-vulnerability to storm events and dependence on volatile Resort Tax revenues, the City Commission, in Resolution No. 2019-30954, increased the required reserve for emergencies from 11% to 17%; increased the goal for reserve for contingencies from 6% to 8%; and effectively increased the total reserve target from 17% to 25%, or from 2 months to 3 months of the City's General Fund Operating Budget; and

WHEREAS, the City Commission, in Resolution 2019-30664, adopted a Resort Tax Reserve Policy that, *inter alia*, required a supermajority vote (5/7th) of the City Commission in order to expend funds in the Resort Tax Reserve Emergency Fund; and

WHEREAS, the City Commission wishes to further ensure the stability and integrity of the General Fund Reserve by amending the City of Miami Beach Financial policies relating to Stabilization Funds; Fund Balance; Contingency Planning and Cash Reserves; Use of Non-Recurring Revenues; Capital Asset Acquisition, Maintenance, Replacement and Retirement; and Guiding the Design of Programs, to incorporate revisions to the Stabilization Funds and Fund Balance/Contingency Planning and Cash Reserves Policy (General Fund Reserve Policy), as set forth in the attached Exhibit A, to similarly require a 6/7th supermajority vote of the City Commission in order to expend funds in the General Fund Reserve Emergency Fund.

NOW, THEREFORE, BE IT DULY RESOLVED BY THE MAYOR AND THE CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, the Mayor and City Commission hereby amend and restate Resolution No. 2019-30954, which re-adopted and amended the City of Miami Beach existing financial policies set forth in Resolution no. 2006-26341 relating to stabilization funds; fund balance; contingency planning and cash reserves; use of non-recurring revenues; capital asset acquisition, maintenance, replacement and retirement; and guiding the design of program and services, to incorporate revisions to the Stabilization Funds and Fund Balance/Contingency Planning and Cash Reserves Policy (General Fund Reserve Policy), as set forth in the attached Exhibit A, which shall replace and supersede the general fund reserve policy set forth in Resolution No. 2019-30954, to require a 6/7th supermajority vote of the City Commission in order to appropriate any funds from the general fund reserves that would reduce the general fund reserve below the 17% emergency reserve of the general fund operating budget of the ensuing year.

Stabilization Funds & Fund Balance/Contingency Planning and Cash Reserves

1. The City of Miami Beach shall maintain the Emergency Reserve at seventeen percent (17%) of the General Fund Operating Budget of the ensuing year (17% Emergency Reserve) for use as defined in resolution 98- 22661.

1a. Any appropriation, or series of related appropriations, of any funds from the general fund reserves that would reduce the general fund reserve below the 17% emergency reserve of the general fund operating budget of the ensuing year must be approved by a 6/7th supermajority vote of the City Commission.
2. The City of Miami Beach shall have a goal to also maintain a General Fund Reserve for Contingencies equal to at least eight (8%) of the General Fund Operating Budget that, in combination with the 17% Emergency Reserve, represents three (3) months of the General Fund Operating Budget expenditures.
3. Said reserve shall be increased or decreased annually but shall be maintained at a minimum of eight percent (8%) of the then existing General Fund Operating Budget.
4. Once the General Fund Reserve for Contingencies goal of eight percent (8%) is initially achieved, if the amount falls below the eight percent (8%) level, a plan of action will be required to increase the reserves over three (3) to seven (7) years to at least eight percent (8%) and a percentage of any additional undesignated fund balance shall be earmarked toward attainment of the eight percent (8%) level.
5. The City of Miami Beach shall have a goal to develop and maintain appropriate levels of reserves in the Enterprise Funds as in the General Fund.
6. The City of Miami Beach shall have a goal of maintaining a reserve of one hundred percent (100%) of pending claims in the Risk Management Fund and shall strive to fund two-thirds (2/3) of the estimated value of insurance claims incurred but not reported.

 - **Pay-As-You-Go Capital Fund** - to ensure adequate on-going reinvestment in capital plant and equipment and avoid deferring capital needs until there is a major bond issue. The City of Miami Beach Resolution 2018-30429, dated July 25, 2018, established a dedicated millage commencing in FY 2019 to continue funding General Fund capital projects while simultaneously allowing for growth over time with property values.
