

MIAMI BEACH

COMMITTEE MEMORANDUM

TO: Public Safety and Neighborhood Quality of Life Committee Members

FROM: Eric Carpenter, City Manager

DATE: June 11, 2025

TITLE: DISCUSS DEVELOPING A COMPREHENSIVE, CITYWIDE PLAN TO COMMEMORATE AND ELEVATE BLACK HISTORY MONTH ANNUALLY

RECOMMENDATION

The Administration recommends the Public Safety and Neighborhood Quality of Life Committee (PSNQLC) discuss a comprehensive, citywide plan to commemorate and elevate Black History Month annually, inclusive of the current programming by the Tourism and Culture and Parks and Recreation departments. Staff is committed to continue enhancing programs while working with the Economic Development Department to elevate Black-owned businesses within the City.

BACKGROUND/HISTORY

At the February 26, 2025, City Commission meeting, the Mayor and Commission approved a referral by Commissioner Alex Fernandez, co-sponsored by Commission Tanya K. Bhatt, to the Public Safety and Neighborhood Quality of Life Committee (PSNQLC) to discuss developing a comprehensive, citywide plan to honor and highlight Black History Month each February, beginning in 2026.

The referral asks that the plan include, but not be limited to, the following elements:

1. Celebrating Black History and Role Models: The committees are encouraged to propose initiatives that celebrate the contributions and achievements of Black individuals throughout history, including prominent figures who have shaped the cultural, social, and political landscape of our community and nation. This can involve educational programming, community events, and public art installations, among other things.
2. Supporting Black-Owned Businesses: A significant component of the plan should involve supporting and elevating black-owned businesses within the city. Initiatives could include efforts to increase visibility, foster patronage, and ensure these businesses have the resources and opportunities to thrive.
3. Consultation with the Black Affairs Advisory Committee: It is essential that the plan incorporates active engagement with the Black Affairs Advisory Committee. Their guidance and perspective will be invaluable in ensuring the proposed initiatives are reflective of the committee's mission and goals and larger community.

ANALYSIS

Black History Month is an annual celebration of achievements by African Americans and a time for recognizing their central role in U.S. history. Since 1976, every U.S. president has officially designated the month of February as Black History Month.

The Parks and Recreation Department has been hosting Black History events at its park sites for close to two decades which have included childrens' performances and skits, food tastings, and other activities such as carnival rides, face paintings, and more. Similarly, the Department has also worked with the Hungry Black Man to produce the Soul Vegan Festival on Miami Beach for over 5 years.

Celebrating Miami Beach African American / Black Persons

Since 2022, the City of Miami Beach Black Affairs Advisory Committee (BAAC) has been recognizing Black members of the city who have had a significant impact during Black History month. Members that have been recognized are as follows:

- 2022 Bibi Andrade
- 2023 DeAnne Connolly Graham
- 2024 Miami Beach Detective Christopher Mitchell
- 2025 Tanisha "TeeTee" Terry

In addition, the BAAC has sponsored events outside of Black History Month which include the Muhammad Ali Historical Tribute in partnership with the Washington Avenue BID and Remembering Josephine Baker: An Evening of Jazz in partnership with the The Betsy Hotel. The BAAC also advocates for significant Black events in the city which include but are not limited to American Black Film Festival, Miami Takeover, and M.I.A. Legacy.

Cultural programming around Black History continues to include dynamic events produced by the city and its cultural anchor institutions. In January 2025, the City of Miami Beach proudly announced a month-long celebration of Black History Month, with a series of exciting and culturally rich events produced by the Tourism and Culture and Parks and Recreation departments. Events took place throughout February and offered a variety of activities celebrating African American heritage, culture and achievements.

The following list of free events that took place in the City during Black History Month were a combination of City-produced events and events produced by Cultural Anchors and partners.

City-produced events:

Date: Thursday, Feb. 20, 2025

Location: FIU-Miami Beach Urban Studios, 420 Lincoln Road

The exhibition focused on the architectural legacy and its fragility in Haiti as documented in photographs of buildings taken following the 2010 earthquake in Haiti.

Black Affairs Advisory Committee

The Tourism and Culture Department (TCD) is the liaison to the Black Affairs Advisory Committee

(BAAC). Leading up to Black History Month every year, TCD regularly updates BAAC on planned city activations for ideas and feedback. This year, the BAAC was supportive of the planned activations and shared the idea of screening “Never Drop the Ball,” which ultimately came to fruition at a well-attended event at SoundScape Park.

In early February, the BAAC made a motion, shared via LTC No. 056-2025 attached, to provide notice to the City Commission of events throughout the year, which included those for Black History Month and Black Business Month, which takes place in August every year.

Comprehensive, Citywide Plan

Currently, TCD works closely with the Parks and Recreation Department for programming during Black History Month. TCD also works with the Marketing Communications Department to ensure that a press release is composed detailing not only city-produced events, but also free programming throughout the City. For February 2026 and beyond, TCD and Parks and Recreation departments are prepared to continue these efforts. The Economic Development Department will also continue its programming that include supporting Black-owned businesses within the City.

At the May 14, 2025, Public Safety and Neighborhood Quality of Life Committee (PSNQLC) staff presented all the citywide events during Black History Month to the Committee and received a positive response. The PSNQLC Committee asked that staff share this memorandum with the Black Affairs Advisory Committee (BAAC). On May 14, 2025, Staff emailed the PSNQLC Black History Month memo for awareness.

On June 3, 2025, the BAAC Committee reviewed and discussed the PSNQLC May 14th memorandum regarding Black History Month events and initiatives. The BAAC stated that the Committee had initiated the recognition of Black businesses in Miami Beach during Black Business Month in August and has asked that the Economic Development Department strengthen its efforts in programming that supports Black-owned businesses within Miami Beach.
