(ECONOMIC DEVELOPMENT) **JOINT CITY COMMISSION, RDA, AND NBCRA**

RECOMMENDATION

The Miami Beach Redevelopment Agency (RDA) Administration ("Administration") recommends that the Chair and Board of Directors approve the Resolution.

The solicitation is currently under the cone of silence.

BACKGROUND/HISTORY

The RDA is dedicated to fostering a robust economy that stimulates balanced growth by connecting business, community, people, and jobs through business assistance and resources, corridor development and redevelopment, real estate, and creating a diverse economy that produces a dynamic and resilient community

To meet RDA goals, objectives, and expectations, a pool of RDA consultants (Consultants) is secured to assist the RDA in assessing economic development potential, developing economic development strategies, implementing projects, providing professional industry insight, building capacity, promoting economic development awareness and more (collectively, "Consultant Services"). The Consultants are contracted to assist as needed and by specialty. The current pool of Consultants contracts is set to expire on December 11, 2024.

In anticipation of the expiring Consultant contracts, the Administration requested approval to issue Request for Qualifications (RFQ) 2024-005-ND for Economic Development Consultant Services for an initial term of three (3) years with one (1) two-year renewal term or two (2) one-year renewal terms at the Executive Director's sole discretion.

ANALYSIS

On May 15, 2024, the RDA Board authorized the issuance of RFQ No. 2024-005-ND for Economic Development Consultant Services. On May 17, 2024, the RFQ was issued jointly by the RDA, the North Beach Community Redevelopment Agency (NBCRA), and the City of Miami Beach. A voluntary pre-proposal conference to provide information to proposers submitting a response was held on May 30, 2024. Two (2) addenda were issued, and 89 prospective bidders accessed the advertised solicitation. RFQ responses were due and received on August 6, 2024. The RDA/NBCRA/City received a total of eighteen (18) proposals. On September 11, 2024, the RDA approved the shortlisting of the following firms to be further considered in the RFQ evaluation process: Accenture LLP, Cambridge Econometrics Inc., Daedalus Capital, LLC, Econsult Solutions, Inc., Ernst & Young LLP, Goman York Property Advisers LLC, Hunden Strategic Partners, Inc., Jones Lang Lasalle Americas, Inc., L.M. Genuine Solutions LLC, National Council for Community Development, Inc., PFM Group Consulting LLC, VisionFirst Advisors, and Willdan Financial Services, Inc

The Evaluation Committee (the "Committee"), appointed by the City Manager (Executive Director) via Letter to Commission (LTC) # 318-2024, convened on September 26, 2024, to interview the shortlisted firms. The Committee was comprised of Justin Karr, Economic Development Manager, Economic Development Department; Rogelio Madan, Development and Resiliency Officer, Planning Department; Colette Satchell, Senior Project Manager, Office of Capital Improvement Projects, and Luis Wong, Administrative Services Manager, Economic Development Department.

The Committee was provided an overview of the request for qualifications and information relative to the City's Cone of Silence Ordinance and the Government in the Sunshine Law, general information on the scope of services, and a copy of each proposal. The Committee was instructed to score and rank each proposal pursuant to the evaluation criteria established in the RFQ. The evaluation process resulted in the ranking of proposers as indicated in Attachment A. A summary of each top-ranked firm is available upon request.

The Administration has considered the qualifications of the top thirteen firms and finds them to be varied in capabilities and experience and, thus, a diverse selection of consultants. The types of economic development activities scheduled and projected vary from strategic planning, industry and market research, statistical and empirical economic analysis, workforce development viability, community and neighborhood development programming, economic impact studies, public-private partnership evaluations, and more. Access to a robust pool of consultants, ranging from small, local, and regional to national and global expertise, ensures access to diverse approaches and talent and the ability to engage multiple consultants simultaneously. As the solicitation was jointly issued by the RDA, NBCRA, and City, a wide variety of services may be needed. Therefore, it is recommended that the thirteen (13) firms be awarded to establish a pool of prequalified economic development consultants to aid the RDA advance the economic development goals, mission, and vision of the RDA Board.

FISCAL IMPACT STATEMENT

Fees will be established through the negotiation process. The Redevelopment Agency has budgeted \$20,000 for these services. Services shall be subject to the availability of funds

approved through the RDA's budgeting process. Grant funding is not anticipated to be utilized for this project.
