On October 29, 2024, the ITB was issued. The Procurement Department issued bid notices to approximately 48,873 companies utilizing the City's e-procurement system, with 66 prospective bidders accessing the solicitation. A project of similar scope and budget shall be defined as streetscape improvements in an urban environment, with a construction cost of at least \$4 million. Streetscape improvements may include, at a minimum, sidewalks, paving, street lighting, and landscaping.

Buslam Company Partners Inc. provided two (2) positive and satisfactory references documenting compliance with the minimum experience requirement.

3. Previous Experience of Bidder (Firm) Project Manager. Bidder's Lead Project Manager must have completed at least two (2) projects within the last ten (10) years with a construction cost of at least \$4 million.
