MIAMI BEACH

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Commissioner Alex Fernandez
DATE: February 3, 2025
TITLE: REFERRAL TO THE LAND USE AND SUSTAINABILITY COMMITTEE TO DISCUSS A COMPREHENSIVE BRANDING CAMPAIGN FOR THE ART DECO HISTORIC DISTRICT OF SOUTH BEACH.

RECOMMENDATION

Please place on the February 3, 2025, City Commission agenda a referral to the Land Use and Sustainability Committee to consider developing a comprehensive branding initiative aimed at increasing visibility for the Art Deco Historic District of South Beach. This initiative would not only highlight the unique architectural beauty and cultural significance of the district, but also help promote heritage tourism, drawing visitors and further solidifying Miami Beach as a premier cultural destination.

The Art Deco Historic District, located between 5th and 23rd Street, along Ocean Drive, Collins Avenue, and Washington Avenue is a cornerstone of our city's identity and history. The district, which has been listed on the National Register of Historic Places since 1979, contains some 800 designated historic buildings, including some that represent other modern architectural styles from different eras of Miami's history.

A strategic branding campaign can raise public awareness, highlight the district's architectural treasures, and attract global visitors eager to experience its heritage. A unified and recognizable brand for the Art Deco District will deepen appreciation for this iconic area while boosting economic activity in surrounding businesses.

Re: Branding and Marketing for Art Deco Historic District, Miami Beach

Dear Commissioner Fernandez,

As a follow up to our last meeting, ADNA would like to formalize our request:

The Art Deco Historic Heritage that makes Miami Beach the unique and special place it is, needs to be celebrated and memorialized.

Right now, there is nothing out there for us like “The Big Apple” or “Motor City”, and Miami Beach needs an equally unique and emblematic brand/slogan/logo, that captures the essence of who we are, and is marketed to the entire world.

We need a branding and marketing campaign that will elevate our community to new heights, that will affect every aspect of our community and life in a positive way.

While ADNA has thoughts and ideas that we’d appreciate considered in the process, we would like the creative minds and experts in the City of Miami Beach to come together to embark on an exciting Branding Campaign to help make this vision become a reality.

We thank you in advance for your assistance,
Irene Bigger

Re: Heritage Tourism Initiative

Dear Commissioner Fernandez:

When we met several months ago, we discussed the need for a branding initiative for the Art Deco district of South Beach. On behalf of ADNA, I would like to continue that discussion about branding.

There is a terrific opportunity to create more visibility for the treasure that we have in the Art Deco community that we believe will help promote Heritage Tourism. I would welcome the opportunity to participate in that initiative.

How can we take this idea from initiative to reality so that every visitor to the Art Deco District, attendees at every event in the Art Deco District and every resident of the Art Deco community sees our brand on the streets, in social media, in the news and everywhere – one common visual that establishes the Art Deco community as a community for every member, for every visitor and for every business.

With dedication to the vibrancy of the art of community-

Anett Grant
