TITLE: REFERRAL TO THE FINANCE AND ECONOMIC RESILIENCY COMMITTEE -
DISCUSS POSSIBLE CONTRIBUTION TO MIAMI BEACH SENIOR HIGH SCHOOL
TO HELP FUND RENOVATIONS OF FIELD.

RECOMMENDATION

BACKGROUND/HISTORY

ANALYSIS

Please place on the February 3, 2025 agenda a referral to the Finance and Economic Resiliency Committee to discuss a possible contribution to Miami Beach Senior High School ("MBHS") to help fund renovations of the field ("MBHS Field Renovation Project").

On Give Miami Day, the MBHS Parent Teach Student Association ("MBHS PTSA") raised \$24,000 which has been earmarked for renovations of the field at Principal Al Torossian's urging. Although the field itself is considered by many in the community to be top-notch, many of its amenities need attention. This is particularly true given the planned construction activities at Flamingo Park that will impact Beach High's ability to use the field there in the near future. As the City is investing in a new park/recreational space adjacent to the field, this would be an ideal optimal time to make improvements to the field. Not only would the students of MBHS benefit, but the City's recreational clubs and residents could potentially use it as well.

The MBHS PTSA has indicated it would like to include the following improvements as part of the MBHS Field Renovation Project:

- Provide shade for the bleachers
- Purchase additional bleachers
- Lay concrete or pavers under the existing bleachers (some have, some don't)
- Install a fence or some sort of barrier between the field and the bleachers
- Create a pathway from the entrance gate to the field
- Purchase storage sheds for equipment
- Install benches/seating by the basketball courts
- Landscape along the fence that separates the school from the area where the water towers are located
- Purchase a net for field goals on the north side
- Ensure there is sufficient lighting to allow for evening games/practices
- Install a PA system for announcers

The Administration should be prepared to provide a budget for the MBHS Field Renovation Project at Committee for consideration and discussion.
