COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission

FROM: Eric Carpenter, City Manager

DATE: February 3, 2025

TITLE: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF MIAMI BEACH, FLORIDA, ACCEPTING THE RECOMMENDATION OF THE PUBLIC SAFETY AND NEIGHBORHOOD QUALITY OF LIFE COMMITTEE, MADE AT ITS DECEMBER 13, 2024 MEETING TO CREATE CODE COMPLIANCE AREA CAPTAIN POSITIONS FOR SOUTH BEACH, MID BEACH, AND NORTH BEACH.

RECOMMENDATION

At the December 13, 2024, Public Safety and Neighborhood Quality of Life Committee (PSNQLC) meeting at the request of Commissioner Alex Fernandez, co-sponsor Joseph Magazine, and Committee Members, unanimously voted to bring this back to City Commission for full consideration.

BACKGROUND/HISTORY

At the May 15, 2024 Commission meeting, at the request of Commissioner Alex Fernandez, co-sponsor Commissioner Joseph Magazine, the Mayor and City Commission approved a dual referral to the PSNQLC and the Finance and Economic Resiliency Committee (FERC) to discuss the creation of Code Compliance Area Captain positions for South Beach, Mid Beach, and North Beach.

At the July 12, 2024 FERC Budget Workshop Meeting, the Code Compliance Area Captain positions were presented as having no fiscal impact with corresponding responsibilities to be carried out by existing staff.

The Code Compliance Administrator (CCA) Job Description was amended to include the concept of Single Point Of Contact (SPOC), community engagement, and attendance at community meetings (i.e., neighborhood, homeowner association, and businesses). The amended CCA Job Description was then presented and approved at the December 10, 2024, City of Miami Beach Personnel Board.

As part of the marketing component to expand awareness, the Code Compliance webpage is being developed to display pictures of our CCAs assigned to specific neighborhoods along with their direct contact information. CCAs are also attending community meetings and introducing themselves as their neighborhood supervisors. Additionally, we will work with Marketing and Communications to periodically highlight this information in the City's MB magazine.

ANALYSIS

The Administration acknowledged there was an opportunity to create greater awareness of district supervisors, aligning their role more closely with the concept of a SPOC for neighborhoods and attendance at community meetings.

The Code Compliance Department currently employs CCA positions who are strategically assigned to zones like South Beach, Mid Beach, North Beach, and the Entertainment District, catering to the specific challenges and needs of each area. In addition to these CCAs, there are also assigned Code Compliance Officers who work within their designated zones, allowing for a more targeted approach to addressing area-specific concerns and ensuring effective enforcement of codes and regulations. The zoning system enables the Department to provide focused attention and resources to each neighborhood, enhancing the quality of service and compliance efforts in the community.

COMMISSION MEMORANDUM

TO: Honorable Members of the City Commission

FROM: Commissioner Alex Fernandez

DATE: May 15, 2024

SUBJECT: DUAL REFERRAL TO THE PUBLIC SAFETY NEIGHBORHOODS AND QUALITY OF LIFE COMMITTEE AND THE FINANCE AND ECONOMIC RESILIENCY COMMITTEE TO DISCUSS THE CREATION OF CODE COMPLIANCE AREA CAPTAIN POSITIONS FOR SOUTH BEACH, MID BEACH AND NORTH BEACH

Please place on the May 15, 2024 agenda a dual referral to the Public Safety Neighborhoods and Quality of Life Committee ("PSNQLC") and the Finance and Economic Resiliency Committee ("FERC") to discuss the creation of Code Compliance Area Captain positions for South Beach, Mid Beach and North Beach.

The effective enforcement of the City's Code of Ordinances (the "Code") is crucial to the maintenance of the highest standards of safety, cleanliness and quality of life for the City's residents and visitors. The City has approximately fifteen (15) square miles within its territorial jurisdiction. While many of the concerns relating to violations are homogenous throughout the City, because of the distinct character of South Beach, Mid Beach and North Beach, each of these areas presents its own unique set of challenges. Although our Code Compliance Department does a great job addressing compliance issues throughout the City, because of the unique characteristics of the South Beach, Mid Beach and North Beach areas, it would be useful to have an Area Captain designated for each of these regions. By consistently working in the same area of the City, the Area Captains will forge a stronger bond with residents and businesses in the area and will be in a better position to address area-specific concerns.

I would like for my colleagues on the PSNQLC to discuss, and I would like to discuss with my colleagues on the FERC, the creation of Code Compliance Area Captain positions for South Beach, Mid Beach and North Beach as we prepare to embark upon the FY 2025 budget process.

The appropriate representative(s) from the Code Compliance Department, Human Resources and Finance should be prepared to address this matter before the Committees.
