TITLE: REFERRAL TO THE FINANCE AND ECONOMIC RESILIENCY COMMITTEE TO DISCUSS REQUESTING THE ADMINISTRATION TO EXPLORE THE FEASIBILITY OF ESTABLISHING A MUSCLE BEACH IN NORTH BEACH, CONSIDERING THE WIDELY RECOGNIZED POSITIVE IMPACT ON HEALTH, COMMUNITY, AND QUALITY OF LIFE OBSERVED AT MUSCLE BEACH IN SOUTH BEACH.

RECOMMENDATION

Please place on the February 3, 2025 City Commission meeting agenda a referral to the Finance and Economic Resiliency Committee ("FERC") to discuss requesting the administration to explore the feasibility of establishing a Muscle Beach in North Beach, considering the widely recognized positive impact on health, community, and quality of life observed at Muscle Beach in South Beach.

BACKGROUND/HISTORY

Muscle Beach in South Beach is a symbol of fitness, wellness, and community engagement, attracting locals and visitors alike. It provides a space for physical exercise, social interaction, and can be linked to an increase in both physical activity and tourism, fostering a culture of health and vitality.

Given the success of Muscle Beach in South Beach, I would like to request Administration explore the possibility of establishing a similar area in North Beach. Establishing a Muscle Beach in North Beach would offer similar benefits, including enhanced public health, improved quality of life, and the creation of a vibrant, and active community space. The the establishment of such a facility could help promote North Beach as a wellness destination and attract visitors. One site I would like to request be considered is the 72nd St. Beach.
