TO: Honorable Mayor and Members of the City Commission

FROM: Eric Carpenter, City Manager

DATE: February 26, 2025

TITLE: REQUEST FOR APPROVAL TO ISSUE INVITATION TO NEGOTIATE (ITN) 2025-253-DF CITY-OWNED BUILDING SPACE AVAILABLE FOR LEASE AT 1701 MERIDIAN AVENUE, UNIT 4. (FACILITIES AND FLEET)

RECOMMENDATION

It is recommended that the Mayor and City Commission of the City of Miami Beach, Florida, authorize the issuance of Invitation to Negotiate (ITN) 2025-253-DF City-owned Building Space Available for Lease at 1701 Meridian Avenue, Unit 4.

BACKGROUND/HISTORY

The City-owned ground-floor commercial space at 1701 Meridian Avenue (the "Building"), Unit 4, will be available for lease starting May 31, 2025. This prime retail location offers excellent visibility and foot traffic, benefiting from its proximity to City Hall and surrounding office buildings. Spanning approximately 535 square feet (SF), the space features a flexible layout ideal for a variety of commercial uses, including retail, office, or service-oriented businesses.

The City envisions this space as a versatile retail location, centrally located with high pedestrian traffic, offering great potential for tenants (the "Bidders") focused on serving the local community. With the current lease expiration approaching, the City is eager to secure a new tenant who will contribute to the area's vibrancy while enhancing the utility of this prime commercial space.

Accordingly, the Administration developed ITN 2025-253-DF seeking proposals for a tenant for Unit 4 at 1701 Meridian Avenue, a City-owned Building (adjacent to City Hall).

ANALYSIS

Through this ITN, the City seeks responses from Bidders interested and qualified to maintain, manage, and operate a commercial space at the ground floor retail area of the City-owned Building (adjacent to City Hall). The successful Bidder will be responsible for rent and its prorated share of property operating expenses (common area maintenance, real estate taxes, insurance, etc.) based on the tenant's square footage for the ground-level portion of the building. Bidders are to propose a rental structure for the City's consideration, along with a public benefit program.

The scope of services in the ITN shall set forth the basis for the operation of the commercial/retail space. All operations shall be in strict compliance with all Federal, State of Florida, Miami-Dade County, and the City of Miami Beach standards including, but not limited to, maintaining the highest possible standards of consumer protection, immediately correcting any identified sanitation deficiencies, conducting employee training programs, providing proper materials, equipment, and facilities for the services, and ensuring employees maintain the highest safety and cleanliness standards.

Following the receipt of proposals, an Evaluation Committee will review proposals in accordance with the criteria established in the attached ITN.

SUPPORTING SURVEY DATA

Based on the 2024 City of Miami Beach Community Satisfaction Survey, 81% of businesses think Miami Beach is better or about the same as previous years as a place to do business. This ITN seeks a viable tenant that will continue to bolster this perception of the City as a business-friendly hub and add value to the community.

FISCAL IMPACT STATEMENT

The Administration will negotiate the financial terms with the selected proposer once the City Commission authorizes negotiations after proposals are received.

2. BACKGROUND & PURPOSE.

The City-owned ground-floor commercial space at 1701 Meridian Avenue (the "Building"), Unit 4, will be available for lease starting 2025. The site drawings for Unit 4 are available in Appendix A attached herein. This prime retail location offers excellent visibility and foot traffic, benefiting from its proximity to City Hall and surrounding office buildings. Spanning approximately 535 square feet (SF), the space, currently used as an office site, features a flexible layout ideal for a variety of commercial uses, including retail, office, or service-oriented businesses.

The City envisions this space as a versatile retail location, centrally located with high pedestrian traffic, offering great potential for tenants (the "Bidders") focused on serving the local community. With the current lease expiration approaching, the City is eager to secure a new tenant who will contribute to the area's vibrancy while enhancing the utility of this prime commercial space. The specific lease term for this agreement shall be determined during negotiations.

The City seeks responses from Bidders interested and qualified to maintain, manage, and operate a commercial space at the ground floor retail area of the City-owned Building (adjacent to City Hall). The successful Bidder will be responsible for rent and its prorated share of property operating expenses (common area maintenance, real estate taxes, insurance, etc.) based on the tenant's square footage for the ground-level portion of the building. Bidders are to propose a rental structure for the City's consideration, along with a public benefit program.

2.1 Interested Parties. Interested parties are invited to submit proposals in accordance with Section 0300. A Pre-proposal conference will be held in accordance with Section 0100, Sub-sections 6 and 7. Responsive proposals will be evaluated in accordance with the criteria found in Section 0400.

3. SCOPE OF SERVICES REQUIRED.

- Providing proper materials, equipment, and facilities for the services.
- Ensuring employees maintain the highest safety and cleanliness standards.

Upon execution of the Agreement, the awarded Bidder shall furnish the City with a security deposit equal to two (2) months of base rent. In the event the awarded Bidder defaults, the City shall be entitled to retain said security deposit as liquidated damages, as well as pursue any and all other legal remedies provided herein or as may be provided by applicable law,

3.1 Facility

As described herein, the City will grant the Operator the exclusive right to manage and operate the commercial space. "Commercial space" shall refer to a general-purpose retail or service area. Permitted uses are for commercial retail space for the use of service, retail and/or food sales. It shall be the awarded Bidder's sole responsibility and cost to maintain the commercial space in accordance with the highest applicable standards and regulations, including the interior, assigned outdoor area, and major building systems (e.g., plumbing, electrical, and mechanical).

The awarded Bidder shall accept the space in "as-is" condition. Any improvements to the space shall be at awarded Bidder's sole expense and responsibility; provided, however, that any plans for such improvements shall be submitted to the City Manager or his designee for prior written approval. Upon termination and/or expiration of this Agreement, all personal property and non-permanent trade fixtures may be removed by Operator without causing damage to the Commercial Space. Any agreement(s) resulting from this ITN may be subject to additional clauses related to food sales including, but not limited to, sponsorship or marketing agreements that are currently in effect, and restaurant ware and packaging in relation to the City's sustainable and resilient goals.
