RECOMMENDATION

BACKGROUND/HISTORY

ANALYSIS

Please place on the February 26, 2025 agenda a referral to the Public Safety and Neighborhood Quality of Life Committee to discuss upgrading and modernizing the City's holiday decor to enhance the festive atmosphere and improve residents' and visitors' experience. As part of this discussion, I request that the Administration be prepared to address the following key questions:

- What holiday decor items does the City currently own versus rent?
- How and where are these items stored when not in use?
- At what locations in the City are decorations installed each year?
- What recommendations does the Administration have for enhancing and modernizing the holiday decor?
- What are the estimated costs associated with updating the decorations?

By evaluating these aspects, we can ensure the City's holiday decorations reflect a vibrant and welcoming environment for all.
