COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Commissioner Tanya K. Bhatt
DATE: March 19, 2025
TITLE: REFERRAL TO THE FINANCE AND ECONOMIC RESILIENCY COMMITTEE TO DISCUSS A SYSTEMIC REVIEW OF ALL IMPACT FEES AND CPI INCREASES.

RECOMMENDATION

BACKGROUND/HISTORY

Please place on the March 19, 2025 agenda a referral to the Finance and Economic Resiliency Committee to discuss a systemic review of all impact fees and CPI increases in the City of Miami Beach

Water/sewer impact fees for new development have not been increased in thirty years. These impact fees play an important role in helping the City maintain and improve our infrastructure without passing undue cost burdens on to residents. Because these impact fees have not been raised by CPI, as other City fees are, the purchasing power of the dollars the City is collecting today in impact fees is worth only about half of what it was in 1995, due to inflation.

It is paramount that our fees keep up with CPI automatically going forward. The Administration should be prepared to present a systemic review of all impact fees and CPI increases in the City of Miami Beach to ensure we are not making this mistake in multiple areas, and recommendations of how to rectify this going forward.
