### PLANNING BOARD

Planning Board

DATE: April 8, 2025

FROM: Thomas R. Mooney, AICP  
Planning Director

<sup>DS</sup>  
 For TRM

SUBJECT: **PB18-0252. 928 Ocean Drive.** Progress report as required by the Conditional Use Permit for a Neighborhood Impact Establishment with entertainment, including open-air entertainment, with an occupant content in excess of 200 persons.

### **RECOMMENDATION**

Hear testimony from the applicant and the public, and conclude the progress report.

### **BACKGROUND**

*February 13, 2018:* The applicant, Deco Walk Hotel & Golf Club, LLC, requested a Certificate of Appropriateness (COA) from the Historic Preservation Board (HPB17-0171) for the partial demolition of the Ocean Drive façade and the design of a new glass storefront system and the installation of a retractable canopy system at the rooftop including a variance to exceed the allowable hours of operation for an accessory outdoor bar counter on the roof of the building. The variance for the outdoor bar counter hours was denied.

*September 17, 2018:* The applicant requested modifications to the previously issued COA for the design and location of the outdoor bar. The HPB heard the request (HPB18-0210) and continued the application due to concerns about the rooftop operation. The applicant subsequently withdrew the modification request.

*November 10, 2020:* A Certificate of Appropriateness was issued by the Historic Preservation Board for the partial demolition of the Ocean Drive façade and the design of a new glass storefront system and the construction of a bathroom structure at the roof level

*April 30, 2019:* The Planning Board approved a Conditional Use Permit (CUP) for a Neighborhood Impact Establishment (NIE) with entertainment and an occupant content in excess of 200 persons and an open air entertainment establishment, pursuant to Chapter 118, Article IV and Chapter 142, Article V of the City Code.

*January 23, 2025:* BTR amended to include entertainment, as approved by the CUP.

Note: The Planning Board and Historic Preservation Board applications remained active due to State Extensions.

### **STAFF ANALYSIS**

On April 19, 2020, a Conditional Use Permit (CUP) was issued to Decowalk Hotel + Golfclub, LLC, as operator of the CUP, consisting of a restaurant, alcoholic beverage establishment, and including open-air entertainment at the ground level only, with approximately 110 seats (attached). On January 23, 2025, the BTR was amended to include the entertainment approved by the CUP. The CUP requires that the applicant appear before the Board for a progress report within 90 days from the issuance of the BTR.

As part of the progress report review, the Board is advised of any citations and complaints issued by the Code Compliance Department regarding the operation of the venue. At the time of the writing of this report (3/14/2025), no complaints have been received and no violations have been issued to the property since the BTR was amended to include entertainment.

At the time of the progress report, in accordance with the provisions of Section 2.5.2.5 of the Land Development Regulations of the City Code (LDR's), the Planning Board may consider setting a public hearing for the purpose of examining the noncompliance issues and initiate modification/revocation proceedings. As there have been no complaints registered and no violations issued, as noted above, staff recommends that the progress report be concluded.

### **STAFF RECOMMENDATION**

Staff recommends that the Board hear testimony from the applicant and the public, and conclude the progress report.
