ANALYSIS

Properties along the east side of Alton Road, between 12th and 14th Streets, are currently zoned Residential Office (RO) on the City's zoning map. This area was rezoned from commercial (CD-2) to RO in 1998. At present, alcoholic beverage establishments, including restaurants serving beer and wine, are not permitted in the RO district.

The owner of a plant and garden nursery, located at 1239 Alton Road, which also operates an accessory café and bakery, has proposed adding the sale of alcoholic beverages (beer and wine only) to the café. The nursery and café are considered non-conforming uses, as they predate the

1998 zoning change. Although these uses are allowed to continue, they cannot be expanded. Therefore, permitting alcohol sales at the premises would constitute an expansion of a non-conforming use.

To facilitate the sale of alcohol at this location, proposed amendments to the City's Land Development Regulations (LDRs) and the Comprehensive Plan are being presented. The following is a summary of the proposed amendments:

1. Chapter 2, Article VII of the LDR's, pertaining to nonconformances, will be amended to permit the expansion of a non-conforming café in the RO district and allow the limited sale of beer and wine, in accordance with specified requirements and criteria.
2. Chapter 7, Article II of the LDRs, regarding the development regulations in the RO district, will be amended to permit, on a limited basis, the sale of alcoholic beverages within existing cafes in the RO district, in accordance with the specified requirements and criteria in Chapter 2.
3. Policy RLU 1.1.1 of the Comprehensive Plan, pertaining to the RO future land use classification, will be amended to include a provision for nonconforming cafés to include the sale of beer and wine, as an accessory use to the cafe, in accordance with the requirements more specifically described in the LDRs.

The area along the east side of Alton Road, between 12th and 14th Streets, was re-zoned to RO primarily due to its proximity to an established single-family zoning district to the east. The alley (Lenox Court) separates the properties in the RO district from the residential homes on Lenox Avenue. Given this context, careful consideration has been given in drafting the proposed amendments to regulate alcohol sales in this area. Since the proposal is limited to existing cafés and the sale of alcohol would only be allowed under specific conditions, the overall impact of these changes is anticipated to be minimal.

COMPREHENSIVE PLAN AMENDMENT AND REVIEW PROCESS

The total land area involved in this application is less than 10 acres. Under Section 163.3187 F.S., land use map amendments of less than 10 acres in size may be considered "small-scale" amendments, which require only one public hearing before the City Commission, which shall be an adoption hearing. Upon adoption, the local government shall send a copy of the adopted small-scale amendment to the State Land Planning Agency so that the Agency can maintain a complete and up-to-date copy of the City's Comprehensive Plan.

RECOMMENDATION

In view of the foregoing analysis, staff recommends that the Planning Board transmit the proposed comprehensive plan and land use amendments to the City Commission with favorable recommendations.
