SUBJECT: **PB24-0725. CPS-2 Regulations – 6th Street Overlay**

RECOMMENDATION

Transmit the proposed ordinance to the City Commission with a favorable recommendation.

HISTORY/BACKGROUND

On July 28, 2021, at the request of then Commissioner, now Mayor Steven Meiner, the Mayor and City Commission (City Commission) referred a discussion item (C4 T) pertaining to the creation of a 6th Street Overlay between Washington Avenue and Alton Road, to the Land Use and Sustainability Committee (LUSC). On September 14, 2021, the LUSC discussed the item and continued it to the October 19, 2021 LUSC meeting.

On October 19, 2021, the item was deferred to the December 2021 LUSC meeting. The December 2021 LUSC meeting did not take place and the item was automatically deferred to the first available meeting of 2022. On March 4, 2022, the LUSC discussed and continued the item to the May 13, 2022 LUSC meeting with the following direction:

1. Engage in follow-up outreach to the affected stakeholders and provide a summary of the applicable comments and input.
2. Modify the northeast boundary of the overlay to remove Washington Avenue.

On May 13, 2022, the item was deferred to the June 6, 2022, LUSC meeting, with no discussion. On June 6, 2022, the item was deferred to the July 7, 2022, LUSC meeting, with no discussion. On July 7, 2022, the item was deferred to the September 28, 2022 LUSC meeting, with no discussion.

On September 28, 2022, the LUSC discussed the proposal, including additional revisions to the draft overlay, and continued the item to the November 18, 2022 LUSC meeting with direction to further explore allowable uses within the proposed overlay, as well as hold a publicly noticed community meeting in the neighborhood. On November 18, 2022, the item was deferred to the January 25, 2023, LUSC meeting, with no discussion.

On January 25, 2023, the item was discussed and continued to the March 1, 2023 LUSC with

direction to the Administration to develop incentives to transfer allowable intensity from the south side of 6th Street closer to 5th Street. On March 1, 2023, the LUSC recommended that the City Commission refer the Administration version of the proposed overlay ordinance to the Planning Board.

On March 27, 2023, the City Commission referred a draft ordinance to the Planning Board (Item C4 B). On April 25, 2023, the Planning Board discussed the item and continued it to the May 23, 2023 meeting. On May 23, 2023, the Planning Board discussed the item and continued it to the June 27, 2023 meeting. On June 27, 2023, the Planning Board continued the item to the September 26, 2023 meeting.

Prior to the September 26, 2023 Planning Board meeting, the item sponsor requested that the proposal be removed from the Planning Board agenda and placed on the next available City Commission agenda for a new referral to the LUSC. The purpose of referring the item back to the LUSC was to allow for additional study, as well as further input from affected residents and property owners. On October 18, 2023, the City Commission referred the item to the LUSC (C4 A). Additionally, Commissioner Laura Dominguez became a co-sponsor.

On February 26, 2024, the LUSC discussed the proposed overlay and continued the item to the March 19, 2024 meeting. On March 19, 2024, the item was deferred to a future meeting, with no discussion, for the Administration meet with affected stakeholders.

On July 9, 2024, the LUSC discussed the proposed overlay and continued the item to a future date with the direction to the Administration to include the recommendations from the Flamingo Park Neighborhood Association (FPNA) regarding a hotel prohibition and height restrictions in the proposed ordinance. On September 5, 2024, the LUSC discussed the proposal and recommended that the City Commission refer the revised ordinance to the Planning Board with revised overlay boundaries noted in the LUSC memo.

On October 30, 2024, at the request of Mayor Steven Meiner and Commissioner Laura Dominguez, the City Commission referred the attached ordinance to the Planning Board (item C4 L).

REVIEW CRITERIA

Pursuant to Section 2.4.2 of the Resiliency Code, in reviewing a request for an amendment to these land development regulations (LDRs), the board shall consider the following when applicable:

1. **Whether the proposed change is consistent and compatible with the comprehensive plan and any applicable neighborhood or redevelopment plans.**

Consistent – The proposed amendment is consistent with the goals, objectives, and policies of the Comprehensive Plan.

2. **Whether the proposed change would create an isolated district unrelated to adjacent or nearby districts.**

Consistent – The proposed amendment does not modify district boundaries.

3. Whether the change suggested is out of scale with the needs of the neighborhood or the city.

Consistent – The proposed Ordinance is intended to provide an appropriate transition between the higher intensity 5th Street commercial corridor and the Flamingo Park Historic District residential neighborhood on the north side of 6th Street, while still allowing for new development to take place.

4. Whether the proposed change would tax the existing load on public facilities and infrastructure.

Consistent – The proposed amendment does not increase loads on public facilities or infrastructures.

5. Whether existing district boundaries are illogically drawn in relation to existing conditions on the property proposed for change.

Consistent – The proposed overlay is not illogically drawn.

6. Whether changed or changing conditions make the passage of the proposed change necessary.

Consistent – The proposed change is necessary in order to minimize the impact of certain commercial uses on nearby residential areas.

7. Whether the proposed change will adversely influence living conditions in the neighborhood.

Consistent – The proposed ordinance amendment will not adversely affect living conditions in the neighborhood.

8. Whether the proposed change will create or excessively increase traffic congestion beyond the levels of service as set forth in the comprehensive plan or otherwise affect public safety.

Consistent – The proposed change will not affect traffic congestion.

9. Whether the proposed change will seriously reduce light and air to adjacent areas.

Consistent – The proposed change will not reduce light and air to adjacent areas.

10. Whether the proposed change will adversely affect property values in the adjacent area.

Consistent – The proposed change will not adversely affect property values in the adjacent areas.

11. Whether the proposed change will be a deterrent to the improvement or development of adjacent property in accordance with existing regulations.

Consistent – The proposed change should not be a deterrent to the improvement or development of adjacent properties.

12. **Whether there are substantial reasons why the property cannot be used in accordance with existing zoning.**

Not applicable –

13. **Whether it is impossible to find other adequate sites in the city for the proposed use in a district already permitting such use.**

Not applicable.

COMPLIANCE WITH SEA LEVEL RISE AND RESILIENCY REVIEW CRITERIA

Section 7.1.2.4 of the LDRs establishes the following review criteria when considering ordinances, adopting resolutions, or making recommendations:

- (1) **Whether the proposal affects an area that is vulnerable to the impacts of sea level rise, pursuant to adopted projections.**

Consistent – The proposal does affect areas that are vulnerable to the impacts of sea level rise in the long term.

- (2) **Whether the proposal will increase the resiliency of the City with respect to sea level rise.**

Consistent – The proposal will increase the resiliency of the City with respect to sea level rise with new development that will comply with the City's resiliency requirements.

- (3) **Whether the proposal is compatible with the City's sea level rise mitigation and resiliency efforts.**

Consistent – The proposal is compatible with the City's sea level rise mitigation and resiliency efforts.

ANALYSIS

Background

The area between 5th and 6th Street, from Washington Avenue to Alton Road, is currently zoned Commercial Performance General Mixed-Use (C-PS2). The C-PS2 district permits a range of business, commercial, office and hotel use, as well as medium density residential development.

As noted on the attached map, the north side of 6th Street between Washington Avenue and Alton Road is comprised of the following zoning districts:

- Residential Multifamily Medium Intensity (RM-2), between Washington Avenue and Pennsylvania Court;
- Government Use (GU), between Meridian Avenue and Jefferson Avenue);

- Commercial Medium Intensity (CD-2), between Lenox Court and Alton Road; and
- Residential Multifamily Low Intensity (RM-1), between Lenox Court and Jefferson Avenue, as well as between Meridian Avenue and Euclid Avenue.

The entire south side of 6th Street between Washington Avenue and Alton Road is zoned C-PS2. The center line of 6th Street between Washington Avenue and Lenox Court serves as the boundary for the Flamingo Park Historic District to the north and the Ocean Beach Historic District to the south.

The Flamingo Park neighborhood is bounded on the south by 6th Street, and on the north by Lincoln Lane south, and is generally between Alton Road and Washington Avenue. The Flamingo Park neighborhood is within a designated local historic district, and is composed predominantly of low scale, multi-family residential apartment buildings.

The low scale residential neighborhood within Flamingo Park is currently buffered from the higher intensity zoning CD-2 district on the west (Washington Avenue) by the Residential Office (RO) zoning district on Pennsylvania and Drexel Avenues. Additionally, in 2014, the Alton Road Historic District Buffer Overlay was created along the east side of Alton Road, to create a transition area between that CD-2 and RM-1 districts in Flamingo Park. Over time, these transition areas have helped to mitigate the impacts of higher intensity commercial uses adjacent to lower intensity residential uses on the east and west sides of the Flamingo Park neighborhood.

Planning Analysis

Recently there have been several large, high intensity projects approved within the C-PS2 area between 5th and 6th Streets, from Alton Road to Meridian Avenue. Most recently, a new hotel with a rooftop amenity deck and accessory outdoor café was approved for the property located at the southeast corner of 6th Street and Lenox Avenue. Given that there are a number of non-contributing properties, including several surface parking lots, in this area, as well as the potential future use of the 5th Street as a transit corridor, it is likely the City will see an increase in new development proposals in this C-PS2 area.

To ensure that future development proposals within the C-PS2 area north of 5th Street are compatible with and sensitive to the established, low scale area of Flamingo Park north of 6th Street, additional development regulations have been proposed. To this end, the proposed amendments to the Land Development Regulations of the City Code (LDRs) contained in the attached ordinance are intended for properties and uses that front on or are near the south side of 6th Street. The intention of the proposal is to foster a more compatible relationship in terms of scale, massing and land uses between the south side of 6th Street and the Flamingo Park residential neighborhood.

The proposed overlay is intended to create a meaningful buffer along the south side of 6th Street and has been carefully formed, as the make-up of existing properties between 5th and 6th Streets is unique and includes variations in overall lot sizes and unified development sites. Also, this area contains several less than desirable uses, including surface parking lots, gas stations and other automobile related uses, and the proposed overlay takes into consideration the ability for multiple lots to be developed in a tangible manner.

Attached are additional maps showing the following:

1. Existing unified development sites (current property owners map); and
2. Existing properties with buildings classified as ‘contributing’ in the City’s historic properties database (contributing buildings map).

These maps show how dispersed the area between 5th and 6th Street is both from a property ownership and unified site standpoint. Additionally, there is no strong concentration of contributing structures along 5th Street and the mid portions of most blocks.

Considering this, the overlay regulations have been drafted to not create a barrier to establishing desirable unified sites, even if some of the lots within a unified site are close to or fronting 6th Street. Additionally, as 5th Street is a major commercial corridor there is an opportunity to maximize the development potential of these properties, including unification efforts with properties immediately north of 5th Street. Currently there are a number of highly underutilized parcels fronting on and north of 5th Street, as well as a number of uses that would be better suited elsewhere.

The following is a summary of the proposed overlay regulations included in the attached ordinance:

1. The overlay applies to properties bounded by 6th Street to the north and 5th Street to the south, between the west side of Lenox Avenue and the west side of Washington Avenue. Properties with frontage on Washington and Lenox Avenues as of January 1, 2022 have been removed from the overlay. However, in the future, if a lot with frontage on Washington or Lenox Avenue is unified with another lot, such unified site shall therein after be subject to the overlay regulations.
2. The following shall apply to alcoholic beverage establishments within the proposed overlay:
 - a. Operations in outdoor or open-air areas of an alcoholic beverage establishment shall cease no later than 12:00 a.m., except as otherwise provided.
 - b. Alcoholic beverage establishments participating in the Outdoor Dining Concession Program shall not be permitted to have outdoor speakers abutting or adjacent to any public sidewalks.
 - c. Outdoor bar counters shall be prohibited within the overlay.
 - d. Outdoor restaurant seating is limited to 100 seats within 200 feet of the south side of 6th Street.
 - e. Outdoor seating above the ground floor (rooftop seating) within 200 feet within the south side of 6th Street is prohibited.
3. Recorded music and television sets is prohibited in any outdoor area within 200 feet of the south side of 6th Street.
4. For properties with frontage on 6th Street, entry and exit doors, as well as access points (with the exception of required emergency egress) to hotels, apartment hotels and suite hotels, and food and beverage establishments serving alcohol, shall be subject to the following regulations:

- a. Entry and exit doors, as well as access points, shall not be permitted on 6th Street.
 - b. A minimum setback of 20 feet from the south side of 6th Street, for all such entry and exit doors, as well as access points, shall be required.
 - c. For properties that contain 200 feet or more of frontage along Euclid, Meridian, Jefferson, Michigan or Lennox Avenues, all entry and exit doors, as well as access points shall be setback a minimum setback of 100 feet from the south side of 6th Street.
 - d. Subject to the approval of the Historic Preservation Board, for existing contributing structures the minimum setbacks from the south side of 6th Street may be waived or modified by the Historic Preservation Board, and the location of such entry and exit doors, and access points, may be permitted on 6th Street.
5. For properties with frontage on 6th Street, the storage or parking of vehicles above the ground level shall be setback a minimum of 100 feet from the south side of 6th Street.
6. The following uses shall be prohibited within the overlay:
 - a. The sale, lease or rental of any motor vehicles, including, but not limited to, automobiles, golf carts, low-speed vehicles, mopeds, motorcycles, motorized bicycles, and motorized scooters.
 - b. Hostels.
 - c. Convenience stores.
 - d. Smoke shops and vape stores.
 - e. Package stores and the retail sale of alcohol for off premise consumption.
 - f. Hotels within 200 feet of the south side of 6th Street.
7. The maximum permitted height within the first 100 feet south of 6th Street shall not exceed 28 feet, regardless of property use, and the maximum permitted height between 100 feet and 140 feet south of 6th Street shall not exceed 40 feet. This height limit may be waived by the Historic Preservation Board to preserve contributing buildings or for a development whose primary use is affordable or workforce housing.
8. A minimum setback of five (5') feet shall be required along all front and side facing a street yards, to provide a clear pedestrian path that exceeds the width of the abutting sidewalk. This requirement may be waived by the Historic Preservation Board for portions of a property containing a contributing building.
9. If an alley exists, no front or street side curb cut shall be permitted. If no alley exists, any curb-cut required shall not exceed 12 feet in width.
10. Roof-top additions shall not exceed the applicable maximum building height set forth in the C-PS2 district.

Community Meeting

At the previous direction of the LUSC, on December 19, 2022, the City held an evening public meeting at the Miami Beach Police Department Community Room within the Flamingo Park neighborhood. The hybrid meeting was advertised and well attended by residents and property owners both in person and via Zoom.

After a brief presentation, some residents expressed concerns regarding potential proliferation of transient and commercial uses along the south side of 6th Street across from the Flamingo Park residential neighborhood. More specifically, the members of the public requested that the City explore the following:

- Prohibit the introduction of balconies facing 6th Street or any side street, for transient uses;
- Explore the introduction of zoning incentives that would encourage residential development; and
- Explore the possibility of rezoning the south side of 6th Street to the RM-1 zoning district.

SUMMARY

Pursuant to the direction of the LUSC on September 5, 2024, the boundaries of the proposed 6th Street Overlay have been updated in the attached ordinance as follows:

The following additional regulations shall apply to properties located from 5th Street to 6th Street, between the east side of Lenox Avenue and the west side of Washington Avenue, within the C-PS2 district, except for those lots with frontage on Lenox Avenue and Washington Avenue as of January 1, 2022; where there is conflict within this division, the following shall control:

I. In the event a lot with frontage on Washington Avenue is unified with a lot that does not have frontage on Washington Avenue, such unified site shall thereafter be subject to the regulations herein.

II. In the event a lot with frontage on Lenox Avenue is unified with another lot, such unified site shall thereafter be subject to the regulations herein.

Additionally, staff remains concerned about limiting building height to anything less than 50 feet within the proposed overlay and would urge caution regarding this modification. However, height limits on properties closer to 6th Street, which are part of larger unified development sites, would be appropriate, as they would result in a higher level of compatibility between new construction and the lower scale Flamingo Park Neighborhood to the north. As such, staff recommends that the proposed height regulations be applicable to unified development sites that consist of more than five platted lots, to not disproportionately affect smaller lots and development sites that do not have enough area to distribute the maximum allowable FAR. Specifically, the following is recommended:

- *The maximum permitted height within the first two platted lots south of 6th Street shall not exceed 50 feet, regardless of property use.*
- *Notwithstanding the building height regulations set forth above, for a unified development site consisting of more than 5 platted lots, the maximum permitted height within 100 feet of the south side of 6th Street shall not exceed 28 feet and the maximum permitted height between 100 feet and 140 feet from the south side of 6th Street shall not exceed 40 feet.*

RECOMMENDATION

In view of the foregoing analysis, staff recommends that the Planning Board Transmit the proposed ordinance to the City Commission with a favorable recommendation, with the modifications noted.

- i. For purposes of this section, a car wash, filling station and any use that sells gasoline, automobiles or automotive or related repair uses are considered as industrial uses and are not permitted within any C-PS district.
- ii. For purposes of this section, pawnshops, ~~dance halls, outdoor entertainment establishments, open air entertainment establishments and entertainment establishments~~ are not permitted as main permitted or accessory use within any C-PS district.
- iii. For purposes of this section, dance halls and entertainment establishments, including outdoor entertainment establishments and open air entertainment establishments, shall not be permitted as a main permitted or accessory use within any R-PS or C-PS district, except for properties fronting directly on Washington Avenue as of January 1, 2022 and located north of Fifth Street.
- iv. Commercial and noncommercial parking lots and garages shall be considered as a conditional use in all C-PS districts.
- v. Neighborhood Impact Structure in the C-PS1, 2, 3, and 4 districts (even when divided by a district boundary line) shall be considered as a conditional use, which review shall be the first step in the process before the review by any of the other land development boards.
- vi. Additional regulations for alcoholic beverage establishments located south of 5th Street. (MAP EXHIBIT-1)
 - 1. The following additional regulations shall apply to alcoholic beverage establishments, whether as a main use, conditional use, or accessory use, that are located south of 5th Street: (MAP EXHIBIT-1)
 - I. Operations shall cease no later than 2:00 a.m., except as otherwise provided herein.
 - II. Operations in outdoor or open air areas of an alcoholic beverage establishment shall cease no later than 12:00 a.m., except as otherwise provided herein.
 - III. Alcoholic beverage establishments with sidewalk cafe permits shall only serve alcoholic beverages at sidewalk cafes during hours when food is served, shall cease sidewalk cafe operations no later than 12:00 a.m. (except as otherwise provided herein), and shall not be permitted to have outdoor speakers.
 - IV. Outdoor bar counters shall be prohibited.
 - V. No special events permits shall be issued.
 - VI. The provisions of this Section 7.2.15.3.c.v.1 shall not apply, to the extent the requirements of this subsection are more restrictive, to an alcoholic beverage establishment with a valid business tax receipt that is in application status or issued prior to June 28, 2016; or an establishment that has obtained approval for an alcoholic beverage establishment from a land use board, and which land use board order is active and has not expired prior to June 28, 2016.
 - i. Existing sidewalk cafes issued a sidewalk cafe permit as of June 28, 2016, for alcoholic beverage sales after 12:00 a.m., with food service, may continue to be renewed, but shall not serve alcoholic beverages later than 1:30 a.m., and alcoholic beverages may not be consumed at sidewalk cafes after 2:00 a.m.
 - ii. Should an alcoholic beverage establishment with a sidewalk cafe permit under (A), above, be delinquent in a payment obligation to the city, and/or

receive two final adjudications of violations of section 12-5 of the General Ordinances (special event permit), section 46-152 of the General Ordinances (noise ordinance), or chapter 82, article IV, division 5 of the General Ordinances (sidewalk cafe ordinance), that alcoholic beverage establishment shall only be allowed to serve alcoholic beverages at its sidewalk cafe until 12:00 a.m. for a 12-month period.

2. Notwithstanding the uses permitted in Section 7.2.15.3.b (Uses Table) above, no alcoholic beverage establishment, or restaurant, may be licensed or operated as a main permitted, conditional, or accessory use in any open area above the ground floor (any area that is not included in the FAR calculations) located south of 5th Street, MAP EXHIBIT-1. Except that:
 - I. Outdoor restaurant seating above the ground floor, not exceeding 40 seats, associated with indoor venues may be permitted until 8:00 p.m.
 - II. Outdoor music, whether amplified or nonamplified, and television sets shall be prohibited.

DEVELOPMENT REGULATIONS TABLE (C-PS)

1. An additional 5 feet of height is allowed if the nonresidential first habitable level is at least 14 feet in height, as measured from DFE to the top of the second floor slab. This provision shall not apply to existing historic districts or existing overlay districts (existing as of 7/26/2017), or commercial buildings immediately adjacent to residential district not separated by a street. However, an applicant may seek approval from the historic preservation board or design review board, as may be applicable, to increase height in accordance with the foregoing within any historic district or overlay district created after 7/26/2017
2. All required setbacks shall be considered as minimum requirements except for the pedestal front yard setback and the pedestal side yard facing a street setback,

DEVELOPMENT REGULATIONS TABLE (C-PS)

which shall be considered as both a minimum and maximum requirements, except for the Goodman Terrace and Hinson Parcels (MAP EXHIBIT-7).

3. For lots greater than 100 feet in width the front setback shall be extended to include at least one open court with a minimum area of 3 square feet for every linear foot of lot frontage, except for those properties located in the C-PS1 district described in Section 7.2.15.3.f.i.
4. Pursuant to All R-PS2 district regulations.
5. Pursuant to all R-PS3 district regulations, except maximum height for residential and mixed use buildings shall be 75 feet.
6. Pursuant to all R-PS 4 district regulations.
7. Notwithstanding the building height regulations set forth above, for unified development sites in the C-PS2 district with a lot line on the south side of 5th Street, which are located west of Jefferson Avenue, the maximum building height for office buildings is 75 feet.
8. Notwithstanding the building height regulations set forth above, in the C- PS2 district, the maximum permitted height within 100 feet of the north side of 4th Street shall not exceed 50 feet, regardless of the use of the property. This paragraph shall not apply to unified development sites governed by note 7. above
9. The number of units may not exceed the maximum density set forth in the comprehensive plan.
10. Developments located in zoning districts that do not prohibit the short-term rental of residential apartment units shall be eligible for an exemption from the average unit size requirements established above, subject to the following conditions:
 - **Density.** The development shall not be permitted to exceed the maximum residential density established in the Comprehensive Plan or Land Development Regulations.
 - **Minimum Unit Size.** This incentive shall not be construed to permit any unit that is smaller than the minimum allowable unit size for the type of unit being proposed.
 - **Covenant.** In order to be eligible for this voluntary average unit size incentive, the property owner, at the owner's sole discretion, shall voluntarily execute a restrictive covenant running with the land, in a form approved by the City Attorney, affirming that in perpetuity no residential units on the property shall be leased or rented for a period of less than six months and one day.
11. Notwithstanding the building height regulations set forth above, the following regulations shall apply to properties located from 5th Street to 6th Street, between the east side of Lenox Avenue and the west side of Washington Avenue, within the C-PS2 district, except for those lots with frontage on Lenox Avenue and Washington Avenue as of January 1, 2022; where there is a conflict within this division, the following shall control:

DEVELOPMENT REGULATIONS TABLE (C-PS)

- I. In the event a lot with frontage on Washington Avenue is unified with a lot that does not have frontage on Washington Avenue, such unified site shall therein after be subject to the regulations herein.
- II. In the event a lot with frontage on Lenox Avenue is unified with another lot, such unified site shall therein after be subject to the regulations herein.
- III. The maximum permitted height within the first 100 feet south of 6th Street shall not exceed 28 feet, regardless of property use, and the maximum permitted height between 100 feet and 140 feet south of 6th Street shall not exceed 40 feet. This height limit may be waived by the Historic Preservation Board to preserve contributing buildings or for a development whose primary use is affordable, workforce, or senior housing.
- IV. A minimum setback of five (5') feet shall be required along all front and side facing a street yards, in order to provide a clear pedestrian path that exceeds the width of the abutting sidewalk. This requirement may be waived by the Historic Preservation Board for portions of a property containing a contributing building.
- V. If an alley exists, no front or street side curb cut shall be permitted. If no alley exists, any curb-cut required shall not exceed 12 feet in width.
- VI. Notwithstanding the provisions of section 7.5.2.1 of these land development regulations, roof-top additions shall not exceed the applicable maximum building height set forth in this note.

SECTION 2. REPEALER.

All ordinances or parts of ordinances and all section and parts of sections in conflict herewith be and the same are hereby repealed.

SECTION 3. CODIFICATION.

It is the intention of the City Commission, and it is hereby ordained that the provisions of this ordinance shall become and be made part of the Code of the City of Miami Beach as amended; that the sections of this ordinance may be renumbered or relettered to accomplish such intention; and that the word "ordinance" may be changed to "section" or other appropriate word.

SECTION 4. SEVERABILITY.

If any section, subsection, clause or provision of this Ordinance is held invalid, the remainder shall not be affected by such invalidity.
