COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission

FROM: Eric Carpenter, City Manager

DATE: October 30, 2024 2:00 p.m. Public Hearing

TITLE: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, ADOPTING THE FIRST AMENDMENT TO THE CAPITAL BUDGET FOR FISCAL YEAR 2025 AS SET FORTH IN ATTACHMENTS A, "PROJECTS"; B, "SOURCE OF FUNDS"; AND C "PROGRAMS."

RECOMMENDATION

The Administration recommends that the City Commission adopt the attached Resolution.

BACKGROUND/HISTORY

Planning for capital improvements is an ongoing process; as needs change within the City of Miami Beach (the "City"), capital programs and priorities must be adjusted accordingly. The Capital Improvement Plan ("CIP") serves as the primary policy and planning tool for systematically identifying, prioritizing, and assigning funds to critical City capital improvement projects.

The City's CIP and Capital Budget development process begins in the winter when all departments are asked to prepare updates and requests on their department's ongoing and new proposed capital projects. Individual departments prepare submittals identifying potential funding sources and requesting commitment of funds for their respective projects.

The CIP is updated annually and submitted to the City Commission for adoption. The Fiscal Years ("FY") 2025 – 2029 CIP and FY 2025 Capital Budget was adopted on September 25, 2024 by Resolution No. 2024-33297.

ANALYSIS

FIRST AMENDMENT TO THE FY 2025 CAPITAL BUDGET

The proposed First Amendment to the FY 2025 Capital Budget reflects an overall increase of \$1,560,585.00 and a re-alignment of \$57,390.00 for the following capital projects:

- 1. 23rd Street Improvements (#68619/67019 – GO#43 Bike Lanes & Shared Use Path):** This project is geared toward improving public safety and mobility by designing and constructing protected bicycle lanes and shared use paths along the 23rd and 22nd Street corridors. As a result of the contractor's proposal that was received by the City for construction, additional funding in the amount of \$1,282,154.00 is required for this project.

Funding for this proposed amendment would come from accrued interest income within the 2019 General Obligation Bonds for Infrastructure (Fund 393).

October 30, 2024 Budget Amendment	1,282,154.00

- 2. Indian Creek Drive Protected Bike Lane (#66122):** This project provides funding for the implementation of a protected bike lane along Indian Creek Drive from 26th Street to 41st Street. As a result of the contractor's proposal that was received by the City for construction, additional funding in the amount of \$278,431.00 is required for this project.

Funding for this proposed amendment would come from fund balance that is available for appropriation in the Transportation Fund (Fund 106).

- 3. Fire Station #4 Exterior Painting and Waterproofing (#67028):** This project includes the painting and waterproofing of Fire Station #4's exterior. The Facilities & Fleet department seeks to proceed with this project in the current fiscal year in order to extend the building's lifespan and protect its structural integrity, ultimately reducing potential future repair costs.

Funding for this proposed amendment would come from Capital Renewal & Replacement Funds (Fund 125) previously appropriated to the following projects, which were completed with savings:
