COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission

FROM: Eric Carpenter, City Manager

DATE: December 11, 2024

TITLE: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, ACCEPTING THE RECOMMENDATION OF THE PUBLIC SAFETY AND NEIGHBORHOOD QUALITY OF LIFE COMMITTEE, AT ITS NOVEMBER 6, 2024, MEETING, DIRECTING THE ADMINISTRATION TO PARTNER WITH THE ADEN PERRY HERO LIFE RING INITIATIVE TO INSTALL LIFE RINGS IN 14 CITY PARKS (16 LOCATIONS), AND POSSIBLY EXPANDING IN THE FUTURE TO OTHER LOCATIONS NEAR WATERWAYS ACROSS MIAMI BEACH.

RECOMMENDATION

Accept the recommendation of the Public Safety and Neighborhood Quality of Life Committee, at its November 6, 2024 meeting, directing Administration to partner with the Aden Perry Hero Life Ring Initiative to install life rings in 14 City park locations, and possibly expanding in the future to other locations near waterways across Miami Beach.

BACKGROUND/HISTORY

During the September 11, 2024 Commission meeting, Commissioner Kristen Rosen Gonzalez referred a discussion on partnering with the Aden Perry Hero Life Ring Initiative to install life rings in various locations near waterways across Miami Beach to the Public Safety and Neighborhood Quality of Life Committee ("PSNQLC").

During the November 6, 2024 PSNQLC meeting, the Committee recommended the Administration to partner with the Aden Perry Hero Life Ring Initiative to install life rings in 14 City park locations, and possibly expanding in the future to other locations near waterways across Miami Beach.

ANALYSIS

The Aden Perry Hero Life Ring Initiative was established in honor of Aden Perry, a 17-year-old South Florida teen who tragically lost his life while attempting to save a driver who had crashed into a pond. The initiative aims to prevent similar tragedies by installing life preserver rings near bodies of water. Aden's mother, Sarah Perry, spearheaded the initiative with the hope that these simple yet effective tools will empower more people to act safely and prevent unnecessary drownings, and since its inception, in 2023, over 200 life rings have been installed across multiple cities, including those in Broward and Miami-Dade County. The life rings are designed for anyone to use in emergency situations, ensuring that even an ordinary bystanders, can help save a life.

When partnering with the Aden Perry Hero Life Ring Initiative, the first 10 life rings are free and gifted. The orange life rings, measuring 24 inches in diameter, are produced by DATREX, a company known for its commitment to safety and quality. Each preserver is crafted to meet strict standards, ensuring it has Coast Guard approval. It is up to City's discretion on the type and length of rope, as well as the post on which the life ring sits.

The Parks and Recreation Department has established a list of 14 locations to install the Aden Perry Hero Life Ring Initiative life rings. The locations are:

1. South Pointe Park (near pier & cove near lighthouse)
2. Brittany Bay Park (near bridge)
3. Pinetree Drive & 63rd Street (near bridge)
4. Muss Park
5. Maurice Gibb Memorial Park (near boat ramp & near bridge)
6. Collins Canal Park
7. Miami Beach Golf Club (lake areas)
8. Normandy Shores Golf Club (lake areas)
9. Pinetree Park (near kayak launch)
10. Palm Island Park (near bridge)
11. Sunset Island IV Park
12. Parkview Annex Park (near bridge)
13. Bayshore Park (future site - lake area)
14. Normandy Shores Park

Life rings can also be installed in the future on street ends and other areas near waterways in the City.

FISCAL IMPACT STATEMENT

The Aden Perry Hero Ring Initiative will cover the cost of the first 10 life rings. Each one after is \$60. The total cost for the 14 park locations, including installation supplies and signage, is estimated to be \$3,000.00. The Parks and Recreation Department will cover the expenses through their approved FY 25 budget.

On a mission to save lives
by installing Aden's Hero Life Rings
in every city and by every body of water.

Helping students on their academic journeys
in honor of Aden.....our Hero and now Angel

ADEN PERRY HERO LIFE RING INITIATIVE

After recently losing my son tragically when he jumped into a lake to try to save the life of a driver who's car went into the lake, I am determined to do anything I can to try and prevent another good samaritan from suffering the same fate.

On a mission to make waterways safer so that when someone is in distress in the water, whether by a car going into a bed of water or if someone falls in and is not able to get out, my goal is to get a life ring in every city and by ever bed of water possible.

For many years, life rings have proven to save lives, they just have to be available to be used to be effective! The benefit of having a life ring by beds of water is that a would be rescuer does not have to go into the water and put their own life at risk trying to save the life of someone else. It is a known fact that when someone is in the water and panicking, they can in their struggle to survive, drown even the best swimmer. This is why when a life guard does a rescue, they present their flotation device to the victim to hold onto first while rescuing them.

Through a generous donation made to the Aden Perry Good Samaritan and Scholarship Fund and a commitment with Datrex, the Manufacturer of the life rings, we are using life rings with my son's image and hero message on them as a way to help prevent future drownings.

Living in South Florida, we are surrounded with water; in our parks, communities, HOA's and along many roadways. Accidents WILL continue to happen...it's just a matter of when and where the next one will be. There HAS to be something available and ready to be used so that lives can saved.

LIFE RINGS are the answer!!! They are easy to install, easy to implement, easy to use and inexpensive!!!

My son died a hero and recently received medal of valors for his actions and most recently Aden was named as a recipient of the Carnegie Hero Award. This is the greatest award a civilian in Northern America can receive. My son was my hero everyday but now is a Hero for everyone to follow his example of selflessness. By other municipalities joining my on my mission, and have our life rings installed by their waterways, together we can save lives in his name and also be Heros!

Aden Perry Good Samaritan and Scholarship Fund

Life Ring Hero Project

Water is everywhere in South Florida!

What can we do to help those who may unintentionally or intentionally end up in a lake or canal? What if they can't swim?

The Life Ring is a proven tool that can turn anyone into a hero!

It's easy to use, easy to access, easy to install for use and inexpensive to implement!

Suggested items needed to install a life ring:

- Life Ring
- Polypropylene rope, minimum of 50' each
- 4 X 6 pressure treated fence post (Placed 2' into the ground)
- 50lb bag of "fast setting" concrete
- Three (3) eye screws
- Two (2) "cooler hooks"
- Three (3) Velcro straps

Our Foundation has an agreement with DATREX, the manufacturing company of the Life Ring to supply the high-quality Coast Guard approved hard plastic life ring with Aden's Hero message on them. They come with a lifetime warranty, and DATREX will extend their drastically reduced price of \$60 to every municipality that joins us in this life saving mission. My goal is to have Life Rings available everywhere and anywhere there is a body of water.... accidents can't be predicted so we must be prepared!
