COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission

FROM: Eric Carpenter, City Manager

DATE: December 11, 2024

TITLE: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, APPROVING AND AUTHORIZING A DONATION OF A 2014 E-Z-GO EXPRESS S4 GOLF CART, HAVING AN APPROXIMATE VALUE OF \$3,825.00, TO MIAMI BEACH NAUTILUS MIDDLE SCHOOL, IN SUPPORT OF ITS EFFORTS TO ENHANCE CAMPUS SECURITY FOR STUDENTS, FACULTY, AND STAFF.

RECOMMENDATION

The Administration recommends the Mayor and City Commission adopt the Resolution.

BACKGROUND/HISTORY

At the request of Commissioner Laura Dominguez, the above-referenced Resolution is submitted for consideration by the Mayor and City Commission at the December 11, 2024, Commission meeting.

ANALYSIS

Miami Beach Nautilus Middle School is in need of a golf cart to augment security on its campus. The City's Facilities and Fleet Management Department (the "Department") periodically decommissions older vehicles and slates them for auction. In accordance with Ordinance 2002-3372, regarding surplus stock, the Department identified a 2014, E-Z-Go Express S4 golf cart slated for auction, and which may be donated to support this effort. The proposed golf cart was selected from equipment that has already been replaced and therefore scheduled for surplus. The estimated surplus value is \$3,825.00 based on the average surplus value recently received at auction.

The donated golf cart will play a crucial role in enhancing security and operational efficiency at the Miami Beach Nautilus Middle School. Given the open layout of the campus, the golf cart will enable administrators and security personnel to quickly and effectively monitor the large parking lots, open fields, and other expansive areas. This will ensure swift responses to potential safety concerns and allow for better visibility of security presence, providing peace of mind to parents who prioritize school campus safety.
