

C4 P REFERRAL TO THE PUBLIC SAFETY AND NEIGHBORHOOD QUALITY OF LIFE  
COMMITTEE – DISCUSSION ON REINTRODUCING SAILING-RELATED EVENTS  
TO MIAMI BEACH.

Applicable Area:

# MIAMI BEACH

## COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission

FROM: Commissioner Laura Dominguez

DATE: May 21, 2025

TITLE: REFERRAL TO THE PUBLIC SAFETY AND NEIGHBORHOOD QUALITY OF LIFE COMMITTEE – DISCUSSION ON REINTRODUCING SAILING-RELATED EVENTS TO MIAMI BEACH.

### **RECOMMENDATION**

### **BACKGROUND/HISTORY**

While Miami Beach has previously hosted sailing-related events, it has been many years since such events have taken place within our city limits. Given our unique coastal geography and maritime history, reviving competitive or exhibition sailing events could significantly enhance the City's cultural and recreational offerings.

Sailing events have proven to be successful in neighboring communities across South Florida, including the Southernmost Regatta in Key West, RS Fest Miami 2025 in Coconut Grove, the Annual Regatta hosted by the Key Biscayne Yacht Club, and the Coral Reef Yacht Club Regatta Event. Additionally, the international SailGP competition and The Ocean Race exemplify the global draw and economic impact of high-profile sailing events.

### **ANALYSIS**

Please place on the May 21, 2025, agenda a referral to the Public Safety and Neighborhood Quality of Life Committee (the "Committee") to discuss the potential reintroduction of sailing-related events to the City of Miami Beach.

Reintroducing sailing events to Miami Beach would not only serve to reconnect the community with its waterfront identity but could also attract international attention, tourism, and economic activity. These events appeal to a diverse audience—from amateur sailors to global enthusiasts—and offer opportunities for public-private partnerships, youth engagement, and environmental education.

The Committee should explore potential locations, logistical considerations (including permitting and safety), outreach to sailing organizations and yacht clubs, and coordination with City departments and stakeholders. Additionally, the Administration should evaluate Miami Beach's capacity and infrastructure to host events of varying sizes.

Input from local and regional sailing organizations should be incorporated into the discussion.
