Planning Board and Board of Adjustment members who file their Form 1 with the County Supervisor of Elections automatically satisfy the County's financial disclosure requirement as a Miami Beach City Board/Committee member and need not file an additional form with the Office of the City Clerk. I'm definitely interested.

I am the co-chief of the urology department at Mount Sinai and I run the department of 14 doctors, 10 nurse practitioners over 10 Urology residents and probably 30 staff members

So in essence, I'm running a small to medium size business. Hope that qualifies me.

Happy to chat thank you

Good afternoon Dr. Nieder,

Hope this email finds you well. I'm reaching out regarding your application to serve on the Health Facilities Authority Board.

There is currently one vacancy; this would be for the Business Category, as the two Health Provider seats are filled.

I wanted to inquire if you are still interested in serving on the Board. If so, do you have general business experience that would support your qualifications for this position?

Thank you for your time and I look forward to hearing from you.

Respectfully,

Resending..

Hi Daniela,

Thank you for your email. In past years, I recall there being more than one (1) committee meeting annually, though I may have missed the notice that 2025 would include only a single meeting.

Unfortunately, the April meeting coincided with a major product launch at my company, and I was unable to step away from my desk to attend. I sincerely regret missing it – it was my first absence.

I would appreciate your consideration for reinstatement. As President of the Normandy Shores HOA, I believe I can continue to contribute meaningfully to the committee, particularly in aligning neighborhood priorities with a responsible and effective budget strategy in collaboration with your office.

Thank you again for your understanding,

- **David A. Cohen**
